OVER FIVE HUNDRED JAPANESE ARE KILLED

Powder Magazine on Big Battleship Explodes.

AFTER EXPLOSION SHIP SINKS

Fire Started from Unknown Cause and Before Officers and Crew Could Be Rescued, the Flames Reached the Magazines.

Tokio, Sept. 12.—2 p .m.—The navy department announces that the battleship Mikasa has been destroyed by fire and the explosion of its magazines causing the loss of 599 lives, including those of other ships, who went to the rescue.

The fire started from an unknown cause at midnight on Sunday night, Sept. 10. Before the officers could be rescued, the fire reached the aft magazine which exploded, blowing a hole in the port side of the vessel below the water line, and causing the ship to sink.

An investigation is now being held to determine the cause of the fire.

The Mikasa was a first-class battleship of 15,200 tons displacement. She was built in England and was launched in 1902. The battleship was 400 feet long and had a speed of over 18 knots and carried four ½-inch guns, fourteen 8-inch guns, twenty 1-pounders, and a number of rapid fire guns. She had four submerged torpedo tubes.

Tokio's Police Chief Resigns.

Tokio, Sept. 13.—10:30 a. m.—The resignation of Tsunayubi Adachi, chief of police, is received with delight here as showing the conciliatory position of the government. The Joji and other local newspapers advocate the solution of the Metropolitan police situation by a new man in the position of chief. This institution was created at a time when rebellion against the early Meiji government was apprehended. A sweeping reform of the present police system is now deemed necessary by citizens of the more thoughtful class.

Great Volcano in Samoa Island.

San Francisco, Sept. 13—Among the passengers who arrived today on the liner Sierra was J. F. Brim, a Mormon missionary from Samoa, who a few days before joining the Sierra at Tutuila visited the scene of the great volcanic eruption on the island of Savaii. The eruption was still active when he came away. The lava, still flowing, had covered a distance of 4 miles. The eruption occurred in a mountain behind the district of Matautu. About 3 o'clock in the morning of August 21, the natives and missionaries for 10 miles around were awakened by a terrific booming. Investigation showed three volcanoes on the Matautu slope in full eruption The Safotu volcano, 20 miles away has also awakened from a long slumber and is once more in full eruption. The town of Safotu is menaced by the flow of lava.

Railroad is Held Responsible.

Norfolk, Va., Sept. 13.—Juries of inquiry from Norfolk city and county who investigated the wreck of the Kingston-Greenville excursion train on the Atlantic Coast Line railway, which went through an open draw over the Western Branch of the Elizabeth river near Bruce's station, Aug. 17, when 17 persons lost their lives and 50 or more were injured, today returned verdicts holding the railroad company responsible because of its alleged negligence in trusting the train to Engineer Reig, who is said to have been unfamiliar with that division of the road.

Bride Charged with Murder.

Elren, O., Sept. 13.—Mrs. Orrin D. Rugg, of Calumet, Okla., has been held for the murder of her husband, who died under mysterious circumstances Saturday night. Mr. and Mrs. Rugg had been married only three months. The coroner's inquest found that Rugg, who was a well-to-do contractor, had come to his death by poisoning.

ROBBER SHOOTS WOMAN.

Discovered in Bedroom He is Attacked and Uses Gun.

Greenwich, Conn., Sept. 13.—Mrs. C. W. Morrell, daughter of E. C. Converse, of New York, an officer of the United States Steel company, was shot by a burglar who entered her residence here early today. The bullet struck her chin, an imbedding itself in her shoulder.

At about 2:30 o'clock a nurse who has her room on the second floor of the Morrell residence, was awakened from a flash of a burglar's lantern. She screamed and the man attacked her with the butt of a revolver bruising her arms and shoulders and breaking two of her fingers. A woman guest of Mrs. Morrell heard the screams and when she entered the nurse's room, the burglar who was still struggling with the nurse, fired a shot but the bullet went high and struck the ceiling. At this juncture Mrs Morrell appeared on the scene and the man aimed a shot at her, the bullet taking effect as described.

The burglar dashed through the door and made his escape.

Several hours later a man was arrested at the Greenwich restaurant on suspicion of being the burglar. He said he had been at the Morrell residence to see the cook last evening but he denied any knowledge of the assault.

RECORD-BREAKING EXECUTION.

Murder and Rapist is Executed Legally in Short Time.

Auburn, N. Y., Sept. 13.—Record-breaking celerity was the only unusual feature of the electrocution of Henry Manser today in the death chamber of Auburn prison.

The witnesses entered the room at 6:05 o'clock. Manser was escorted to the chair one minute later. In another minute he had been pinioned in the chair and the mask had been drawn over his face. State Executor Davis immediately made connections with the fatal lever and 1,880 volts of electricity coursed through the body for three minutes, this was reduced gradually and then the full strength was again turned on.

Manser was dead in precisely three minutes after walking to the chair. He had not emitted a murmur, nor shown any indication of fear.

The crime for which Manser forfeited his life was committed in the little town of Scribe, 6 miles east of Oswego, near the edge of a piece of woods on Sunday, May 28, last. He waylaid Cora Sweet, a child of 12 summers, and induced the unsuspecting child to accompany him into the woods, where according to his own confession, he ravished and murdered her.

May Modify Immigration Law.

Hong Kong, Sept. 13.—Representative Chinese in discussing the Chinese anti-boycott with Secretary Taft, on Sept. 5, suggested a modification of the definition of "laborer;" the exemption of business assistants and the validity of consular certificates to be accepted as final evidence of identification. They propose the issuance of passports revised by American consuls for the admission of Chinese similar to those in use for subject of foreign governments, and they also ask for an improvement in the condition of detention sheds in America. Secretary Taft in concurring with the propositions presented by the Chinese, undertook to bring them to the attention of President Roosevelt on his return to America.

Linemen Are Electrocuted.

Waterbury, Conn., Sept. 13.—Joseph Ring, of this place, was killed, Edward Saun, residence unknown, was injured, probably fatally, and John Ross, of Waterbury, was badly burned by contact with a live electric wire at the plant of the Scoville Manufacturing company today. All the men were electricians, and were at work on the wires. A strange feature of the accident is that Ring and Saun received their injuries in rescuing Ross who was the first to come in contact with the dangerous wire. Ross received the full force of the current but he will probably recover.

REJOICING OVER THE SMALL DEATH RATE

New Orleans People Believe They Control Situation.

OUTSIDE TOWNS CALL FOR AID

The Federal and State Authorities Are Doing All in Their Power to Help Rural Communities—Steamer Resumes Trips.

New Orleans, Sept. 13.—Showers and sunshine in the day time with cooler nights continue here but contrary to expectations there is no resulting increase in the mortality which, in the past, has been heavy under such adverse meteorological conditions.

There was little change in the yellow fever situation today. Dr. Warner is impressing upon the people the necessity of guarding against indifference.

"It is true," said Dr. Warner, today, "that owing to the lectures of Dr. Kohnke, the doubting Thomases, like the mosquitoes, have grown less, but one doubting Thomas or one infested mosquito can do great damage. We have not stopped it entirely. The greatest danger to my mind is the failure of physicians to recognize yellow fever and therefore I say that every citizen might promptly to report sickness whether it is in his own home or in his neighbor's. It will do no harm, and it may save many lives."

The theaters are to open here at the end of the week. Both have stock companies. A third, the Greenwall, may open a week later, if the Texas authorities will permit companies from here to enter that state and play the Texas circuit. Manager Greenwall today wrote the Texas authorities on the subject.

Excellent Effect of Death Rate.

The clean score in the matter of deaths in the preceding 24 hours has had a most excellent affect on the people of New Orleans, and in such evidence that the fever is under control to respond to the appeal of Dr. White to exert themselves to the utmost in the war against the mosquito. It is felt by the authorities not to be a matter of great difficulty to stamp out the fever, if the people will faithfully follow instructions now that the malignant character of the disease has disappeared.

Appeals continue to come to the governor and the state board of health from the country for assistance. Leeville has been in need of help and Governor Blanchard is to send money there while the wholesale merchants here hav contributed a carload of provisions. Tallulah is in the throes of despondency but Dr. Chassaignac and a staff of nurses are scheduled to reach there today and it is believed that the town thereafter will again take heart.

People continue to leave Lake Providence, and the authorities are making no effort to detain them because the fewer number of people who remain in the town the sooner will the disease be checked for want of material.

Four new cases of fever have appeared at LaFourche crossing, where there was fever about six weeks ago, but the settlement is completely isolated and it is thought that the disease can be prevented from spreading. The Patterson situation is still serious and the community is completely out of funds.

The steamer Frank B. Hayne leaves today for the river points. This is the first boat to leave for that section since the fever first appeared. People in the country tributary to the Ouachita river have been shut off from New Orleans for nearly seven weeks, and are in sore need of provisions and merchandise. Recently they appealed to local merchants and the board of trade for relief and the starting of the Hayne is the result. The steamer will be permitted to discharge and receive freight under such regulations as local health boards may impose.

One New Case at Natchez.

Natchez, Miss., Sept. 13.—One new case of yellow fever, that of Anna Overton, a negress, on Lincoln avenue, ported this morning. One patient near the original infectian, was rehas been discharged from the hospital today.

One Death at Pensacola.

Pensacola, Fla, Sept. 13.—The Russian Jew, who was found in the woods yesterday near Pensacola, wet from the recent rains, covered with ants and mosquitoes and suffering from yellow fever, died at the hospital this morning. There were no new cases reported up to noon today.

LOOKING FOR MOTORMAN.

Police Searching for Man Who Had Charge of Wrecked Train.

New York, Sept. 13.—Detectives continued to search the city during the night for Paul Kelly, motorman of the Ninth avenue elevated train, which jumped the track yesterday at Fifty-third street junction and caused the death of a dozen people and the injury of a large number.

It is feared Kelly has made good his escape. Information reached the police station last night that his sweetheart had managed during the afternoon to draw Kelly's money from a savings bank. The motorman was a strike-breaker who entered the company's employ six months ago. He came here from St. Louis.

According to some of the passengers on the ill-fated train, things went wrong with the motorman from the beginning of his trip down town. At One Hundred and Twenty-fifth street it is said he started the train with such a jerk that a woman carrying a baby was thrown down in the aisle of the first car and the baby was hurt.

Kelly came out of the motor box to see whether she was badly injured and a number of men passengers spoke to him with some roughness, which he resented. The passengers assert that the train continued its course down town with sudden stops and starts which caused much alarm long before the accident.

No additions to the casualty list were reported during the night.

There remained in Roosevelt hospital 12 injured and in Bellevue hospital five. Twenty-two others had been treated and sent to their homes.

JAPANAESE ARE VERY ANGRY.

Baron Komura May Be Met With Hostile Demonstration.

Seattle, Wash., Sept. 13.—Baron Komura, the Japanese plenipotentiary, and his party may be met with hostile demonstration on his arrival in Japan, is the opinion expressed last night by the Rev. H. Kosaki, a prominent Japanese minister who arrived here yesterday to attend the meeting of the American board of Missionaries.

The Rev. Kosaki says, however, that if the class of people who are responsible for the present uprising learn the true conditions of the peace settlement before the arrival of Baron Komura, that he may not be molested.

The Rev. Kosaki also states that it is the intention of his government to take up the work of enlightening the Chinese immediately and that there are present some 8,000 students from the best Chinese families attending educational institutions in Japan, some of them being young women. The minister stated that unless the Japanese receive the indemnity agreed upon as reimbursement for the expenses of taking care of the Russian prisoners that economic depression may result for a year or two. If this money is received within a short time, however, this danger will be averted.

Double Tragedy in Kentucky.

Cincinnati, Sept. 13.—As his wife sat by his bedside Eulass Morgan, a rich farmer living 3 miles from Corinth, Ky., suddenly siezed a razor and cut her throat. Almost immediately afterwards Morgan drew the razor across his own throat. Physicians said that it would be impossible for either to recover. The tragedy was witnessed by two infant children of Morgan, who were found sitting in the room, calling upon their parents to speak to them. Morgan had been ill for eight weeks with typhoid fever and great despondency over his slow recovery is the cause of his deed.

STATE OF WAR HAS BEEN PROCLAIMED

Caucusian Provinces of Russia Overrun By Tartars.

MANY ARMENIANS MASSACRED

Tartars Cross Border and Completely Devastate Towns, and Kill the People Regardless of Sex or Age.—The Conditions Are Terrible.

St. Petersburg, Sept. 13.—A state of war has been proclaimed in the Caucasian districts of Zangezur and Jeabrial, where Tartars are massacreing the Armenians without distinction of sex or age. The country is now swarming with bands of Tartars under the leadership of their chiefs. Many thousand of Tartar horsemen have already crossed the perso Russian frontier and joined the insurgents in destroying Armenian villages. At the village of Minkend 300 Armenians were slaughtered. Dispaches say that mutilated children were thrown to the dogs and that the few survivors were forced to embrace Islamism in order to save their lives.

Naphtha firms are cut off from the delivery of oil fuel to shipping companies, which are now confronted with the necessity of suspending their services and discharging their employes which would result in leaving thousands with no means of subsistence.

The salt works of Baskunchak have been obliged to close owing to the scarcity of fuel, and this will paralyze the fishing industry.

Agitation Growing at Batoum.

Batoum, Caucasia, Sept. 13.—There is a growing agitation among the local Mussulmans against the Christians. The authorities have seized the government's documents for safety in the event of an outbreak.

100 Killed or Wounded

Tiflis, Caucasia, Sept. 13.—An hundred social democrats were killed or wounded today in a conflict with Cossacks at the town hall and many were trampled to death in the subsequent panic.

Two thousand social democrats forced an entrance into the town hall which was closed owing to the celebration of a religious holdiay, the beheading of John, the Baptist. Revolutionary speeches were made, and the chief of police ordered the meeting to disperse. Part of those present obeyed but the remainder refused, and some revolvers were fired. A large force of Cossacks drawn up outside the building then fired a volley into the crowd time and time again, killing and wounding upwards of 70.

In the ensuing panic many persons fell and were trampled to death by their comrades and the pursuing Cossacks.

Vessel Wrecked; Four Bodies Found.

Tacoma, Wash., Sept. 13.—A Valdez dispatch says that a three-masted vessel has been discovered ashore between up, 3 miles from Kakatag beach, Alaska. Her name was not visible but a bill for goods was found that was made out to the schooner Prosper. The wrecked vessel is apparently of foreign build, but answers the description of the San Francisco vessel of that name. Four bodies have been washed ashore. One is that of George Fornling, but the others are unknown. The steamer Excelsior brought the news to Valdez, and wired to Sitka for assistance of the revenue cutter.

A Dead Man at the Wheel

Honolulu, Sept. 13.—A dead man held the wheel of the schooner on her trip here from Laisan Island. He was a Japanese member of the crew and died clutching the wheel. He was found still holding it and the vessel though greatly damaged by a hurricane which is supposed to have caused his death from over exertion, made port in safety. The schooner Wordsbury was somewhat overdue and the United States boat Iroquois had been sent to look for her.

While in Custody of Robert Dixon at Alachua Made Bold Dash.

DISAPPEARED IN DARKNESS

Officer Fired Four Shots at Fleeing Man Without Effect—Had Been Sent Up for Six Months for Petit Larceny.

Ben McNish, a negro about forty years of age, but a slick proposition, having been many times in trouble before, was arraigned before Justice Caswell at Alachua upon a charge of petit larceny Tuesday, convicted and sentenced to serve a term in the county prison of six months. McNish was too smart for the officers, however, and made his escape while waiting for the train to Gainesville.

McNish, who is a well known character in the vicinity of Alachua, has been guilty of several petty crimes, and is looked upon by the officers and people with a suspicious eye. In this instance he was arrested upon a charge of petit larceny, and his reputation was so bad that it did not require long to send him up for six months. He was turned over to Robert Dixon, in default of the fine, who was entrusted to bring him to Gainesville and place him in prison. Dixon took his prisoner to the depot and was waiting for the train, when the man suddenly made a lunge into the darkness and disappeared, four shots being fired at him without effect.

McNish weighs about 165 pounds, and is very dark. Any person apprehending such a negro will please notify Robert Dixon, from whom he escaped, or Constable Sessions, at Alachua.

THE YELLOW FEVER.

No New Cases at Pensacola—New Report Very Favorable.

Pensacola, Sept. 13.—There were no new cases and no suspicious cases reported up to noon today. The good effect of the general fumigation is being felt. The equipment for the detention camp at Flomaton is being put in readiness.

At New Orleans.

New Orleans, Sept. 13—From 6 p. m. yesterday to noon today there were 16 new cases and three deaths. Total cases to date, 2,386; total deaths, 320.

At Other Points.

At Tallulah, La., three doctors and half a dozen nurses are busy. About every square in the town is infected.

Places near New Orleans report as follows: Patterson, two cases, one death; St. Rose, two cases; Lurette, three cases.

Cause of Insomnia.

Indigestion nearly always disturbs the sleep more or less and is often the cause of insomnia. Many cases have been permanently cured by Chamberlain's Stomach and Liver Tablets. For sale by all druggists.

DATE OF MEETING CHANGED.

Georgia Baptists Will Convene at Macon in November.

Macon, Ga., Sept. 13.—At a meeting of the executive committee of the Georgia Baptist convention, held here, the dates for the coming session in Macon were changed from Nov. 16 to Nov. 23, beginning Thursday and lasting through Sunday.

This action was taken because of the conflict with conventions of other southern sates, Viriginia, Georgia, Louisiana and Arkansas having arranged for session at the same time. There are also several Baptist associations in Georgia whose fall meetings would not close in time for the state convention on the date first named.

This action will defer the inauguration of President Charles Lee Smith, of Mercer, until Nov. 24. Dr. E. J. Forrester and Rev. W. H. Sledge were made members of the faculty to succeed the late Dr. Pollock and Dr. Harrison, resigned. Broadus E. Willingham succeeds Dr. Pollocks as chairman of the executive committee. Dr. Forester was made treasurer of the students' fund of Mercer, to succeed Dr. Ragsdale.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's **Swamp-Root** is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

THE IRISH PEASANT.

His Hospitality Is Only Equaled by His Courtesy.

The especial characteristic of the Irish peasants, according to Frank Mathew, in "Ireland," is an old fashioned courtesy. They are all sure, he asserts, that they are descended from chiefs, and their manners are ruled accordingly.

Take shelter in any hut on the mountains, and you will be greeted as if its inmates had been longing to see you. This will not be due to the fact that you seem prosperous; indeed, you would be even more graciously welcomed if you were in rags. Nor is their courtesy only exhibited when they are hosts. Once when I was exploring the Burren of Clare a ragged old woman seated by the wayside accosted my equally ragged driver. "Excuse me, sir," she said, "but did you happen to meet a loaf on the road?" "'Deed then, ma'am," said he, bowing respectfully, "and I'm sorry I did not." "Who was she?" I asked him when we had driven out of her hearing. "'Deed then, and I don't know," said he. "'Tis some poor soul that has lost her loaf and will be goin' to bed hungry tonight." On another occasion an aged man, clad in knee breeches and a swallowtail coat, addressed me as I was climbing a path in Connemara. "I am thinkin', sir," said he, "that you are Mr. John Blake." "Well, sir," said I, "you are thinking wrong." "Well, sir," he answered solemnly, "says I to myself as I saw you come up the side, that is Mr. John Blake, and if 'tis not, says I to myself, 'tis a fine upsthandin' young man he is, whoever he is." Now I am convinced that he knew I was a stranger, but was not that a charming way to suggest that I should sit beside him on the low ferny wall and discuss the ways of the world?

Attacked by a Mob

And beaten in a labor riot, until covered with sores, a Chicago street car conductor applied Bucklen's Arnica Salve and was soon sound and well. "I use it in my family," writes G. J. Welch of Tekonsha, Mich., "and find it perfect." Simply great for cuts and burns. Only 25c at all drug stores.

A Helping Hand.

"I have heard," stammered her timid admirer, "that you are engaged. Is it—er—true?"

"I'm not engaged yet," replied the fair girl, "but I hope to be soon."

"Er—how soon?" he asked.

"In a few minutes," she replied, with shining eyes.—Philadelphia Ledger.

Moses Well Known Down Here.

Small girl, in bed, being read to by an elder cousin. Small Girl—When I die, shall I go to heaven, Mary? Mary—Oh, yes, if you are a good girl. Small Girl—I want to see Moses. I shall tell him I heard quite a lot about him down here.—London Globe.

BORROWED PLUMES.

How an American Became a Man of Mark In Russia.

Andrew D. White's first diplomatic experience was as an attache at St. Petersburg at the time of the Crimean war. The war brought to Russia many American adventurers. "One man who came out with superb plans," Mr. White says, "brought a militia colonel's commission and the full uniform of a major general. At first he hesitated to clothe himself in all his glory, and therefore went through a process of evolution, beginning first with part of his uniform, and then adding more as his courage rose.

"During this process he became the standing joke of St. Petersburg, but later, when he had emerged in full and final splendor, he became a man of mark; indeed, so much so that serious difficulties arose. Throughout the city are various corps de garde, and the sentinel on duty before each of these, while allowed merely to present arms to an officer of lower rank, must, whenever he catches sight of a general officer, call out the entire guard to present arms, with the beating of drums.

"Here our American was a source of much difficulty, for whenever any sentinel caught sight of his gorgeous epaulets in the distance the guard was instantly called, arms were presented and drums beaten, much to the delight of our friend, but even more to the disgust of the generals of the Russian army and to the troops, who thus rendered absurd homage and found themselves taking part in something like a bit of comic opera."—Exchange.

An Old English Ballad.

"Greensleeves" is a good old English ballad and tune mentioned by Shakespeare in the "Merry Wives of Windsor" and has been a favorite since the latter part of the sixteenth century. The tune is much older than the words, probably as old as the days of Henry VIII. It is also known as "The Blacksmith" and "The Brewer" and was a great favorite with the cavaliers. A modified version is found in the "Beggars' Opera." The tune is still sung to "Christmas comes but once a year" and many other songs of the same rhythm or with the burden "Which nobody can deny."

Devoured by Worms.

Children often cry, not from pain, but from hunger, although fed abundantly. The entire trouble arises from inanition; their food is not assimilated, but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once, very much to the surprise and joy of the mother. Sold by W. M. Johnson.

NOTICE OF APPLICATION FOR PARDON.

A GREAT EDUCATIONAL MOVEMENT!

A Magnificent Library Worth $500 Offered Free of Cost!

Something SUN Readers Should Consider

Read the Following Details Carefully:

The Mystery Surrounding the Beautiful Display in G. W. HYDE'S Window Revealed in the following.

A number of our enterprising merchants have arranged what will prove to be a most interesting contest between the High School, Twentieth Century Club, Odd Fellows' Home, B. P. O. Elks, Volunteer Firemen, Masons, W. O. W., K. of P., Gainesville Guards, Kirby Smith Chapter or J. J. Finley Chapter of the U. D. C., or any church, Sunday school, hospital organization or institution you would wish to own the beautiful library valued at $500, now on display at G. W. Hyde's.

THE REWARD will be a magnificent library, consisting of 200 volumes of the standard subscription publications of the day as follows: The Great Chas. Dudley Warner "Library of the World's Best Literature," 46 volumes; "Library of the World's Greatest Classics," 30 volumes; the Anglo-American Dictionary and Cyclopedia, 12 volumes; Library of Oratory, by Depew, 15 volumes; Works of Balzac, 36 volumes; the Library of Poets, 32 volumes; the World's Best Essays, 10 volumes; History of Our Great Commanders, 12 volumes.

Each and every one of these books are specimens of the best mechanical execution, which examination will prove.

The conditions of the contest are as follows: Any lodge, church or school, club, hospital or organization, public or private, is eligible to the contest. Votes for individuals will not be counted. With each 10 cents purchase a ticket will be given by the merchant through whose liberality these grand libraries are furnished, on which will be written the amount of the purchase and the number of votes. The purchaser will write on the ticket the institution or organization for which he or she desires to vote, sign their name and deposit the ticket in the ballot box in the store in which the purchase is made.

The standing of the contestants will be published exclusively in each Sunday's issue of The Sun until October 14th, 1905, at 7 o'clock p. m., when the remaining votes will be counted, and the magnificent library awarded to the organization having the largest number of votes. The Sun will publish in each issue a coupon which will entitle the holder to two votes that will be credited to the institution that is written on space provided for same, when delivered to the ballot boxes in either of the stores.

Voting Tickets Can be Secured From the Following Merchants:

Mrs. S. W. LeGrande

The only Millinery and Notion store issuing votes. Vote here.

Merchants, Note Carefully.

The rules of the contest provide that each merchant shall carefully make a record of his vote on Friday night of each week, sending a duplicate of same to The Daily Sun, on Saturday before noon of each week, over his own signature, including the tickets, carefully wrapping and tying them up in as small a package as possible; write your own name and date of delivery on each so that they can be filed away with your records and delivered to a committee of awards appointed at the close of the contest.

THE SUN'S Voting Proposition.

Under no circumstances will an employe of this paper be allowed to cast a vote in this contest.

We will give a premium of 75 votes for every paid three months' subscription, 200 votes for every paid six months' subscription and 500 votes for every paid subscription for one year to Daily Sun, and 200 votes for one year's subscription to Semi-Weekly Sun. Old subscribers get the same number of votes by paying their subscriptions in advance. Every voter should be a subscriber. To the institution securing the largest number of votes in this manner will award at 7 o'clock p. m., October 14th, 1905, 10,000 votes.

LIBRARY VOTING COUPON.

This coupon entitles the holder to two votes that can be cast for any institution competing for the beautiful library, when properly filled out, signed and returned to the ballot boxes in either the above stores.

CALAMITY LIAR HAS BEEN NAILED

No Refugees From New Orleans Have Arrived at Cedar Key.

BOATS HAVE BEEN SCARCE

Reported That Persons From New Orleans and Pensacola Were Congregating in Cedar Key and Mingling With Her People Denied.

Some calamity liars, as they have been appropriately termed, have been operating in their work in Gainesville for the past two or three days, stating that visitors were coming to this city from Cedar Key, and that that place was full of refugees from Pensacola and New Orleans. So anxious did a number of citizens become regarding this matter and the threatened danger regarding the breaking out of a contagious disease here, that a committee waited upon Dr. J. Harrison Hodges, agent for the State Board of Health, Tuesday afternoon.

Dr. Hodges stated to the committee that he felt sure there was no truth in the rumor; that he believed Dr. R. T. Walker, quarantine officer at that point, was too cautious an official to permit such irregularities.

For the satisfaction of all concerned Dr. Hodges wired Dr. Walker in the matter Tuesday evening and Wednesday morning received the following reply:

"As regards the reports about the boats coming in here from New Orleans and Pensacola, I am sure they have been very much exaggerated. I know of no boat that has reached here from Pensacola since the fever begun there; and only one from New Orleans since the fever was announced there, and that one went first to Key West, where she was fumigated and quarantined, then to Tampa, where she remained for several days for repairs. When she got here she laid out in the Gulf, seven or eight miles from town, and discharged her cargo.

"We have no quarantine on against Pensacola, and cannot put it on till Dr. Porter orders it. When he is satisfied that we are in danger I think he will attend to the matter. He knows more about the conditions than I do.

"Very sincerely yours,

"R. T. WALKER,

"Quarantine Officer."

THE NEWS FROM ALACHUA.

Death of a Child—Approaching Marriage of Mr. F. B. Godfrey.

Alachua, Sept. 13.—Miss Belle Edwards, who has been visiting Miss Eva Powell, has returned to Waldo.

Miss Ruby Hawkins left last week for Tacoma to take charge of her school.

Miss Murray Hawkins, after spending some time at Sanford and other points, has returned.

Mr. and Mrs. W. T. Robarts returned from Daytona Monday, and are receiving the congratulations of their friends.

J. S. Fagan has returned from a trip to Daytona Beach.

Miss Katie Smith has returned, after a pleasant visit to her aunt, Mrs. G. D. McCranie at Tampa.

Mr. and Mrs. Tom Williams of Waukula were the guests of Mr. and Mrs. R. A. Turner this week.

E. E. Bell of Dutton visited Mr. and Mrs. J. W. Bell this week.

The Alachua Telephone Exchange will soon be in operation. The central office will be located in the Caswell-Bell building.

Mrs. Godfrey returned to Waldo Monday after a pleasant visit to her daughter Mrs. O. M. Futch. She was accompanied by her daughter, Maud, on her return.

H. D. Lee, who has been suffering with a sore foot, is able to walk around again.

The following which appeared in The Atlanta Journal of Sunday, September [illegible] will be read with interest by the many friends of this popular couple. Mr. Godfrey is cashier of the Bank of Alachua: "Mr. and Mrs. John Thomas Newton announce the engagement of their daughter, Willie Ora, to Mr. Francis Bartow Godfrey, the wedding to take place October 12 at their home 'Ivywood,' near Madison. The wedding will be one of much social interest.

Mrs. Pat Hubbard has been quite ill for several days, but is improving now.

On Friday, September 1st, 1905, Lucile, the 11-months-old baby of Mr. and Mrs. Arthur Cathcart, closed its eyes to earthly things, and went back to its Maker. Lucile was a very pretty child, of a sweet disposition, and the loving father and mother had surrounded it with all the love and attention possible, but the Master's call was answered promptly, and another angel was added to the happy throng above. The little one was sick only a few hours, congestion of the brain and lungs being the cause of its death. The skill of the physician, the prayers of the parents, and the kind acts of friends and relatives could not stay the hand that wrenched this darling from its parents' arms. The little corpse was buried at Forest Grove September 2nd, but its spirit is safe in the arms of Jesus, where it awaits the happy reunion with loved ones left behind.

The inventor of the famous "TERRELL SCRAPE," a man known wherever plows are sold and used, says:

"I have used MOZLEY'S LEMON ELIXIR for 10 or 12 years in my family for the stomach, liver and kidneys, and find it is the best medicine I have ever used. It is also a sure specific for pain in the back or under the shoulders. I have recommended it in numerous cases to my workmen, when sick and unable to work, and it has always given perfect satisfaction. H. D. TERRELL, President Atlanta Plow Co., Atlanta."

A Clear Complexion and Bright Eyes.

In most cases a sallow, blotched complexion and dull heavy eyes are due to poor digestion and an inactive liver. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels and makes the complexion smooth and clear. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. J. W. McCollum & Co.

Actor Recovering from Operations.

New York, Sept. 13.—Richard Mansfield, the actor, is just recovering from the effects of of of two very delicate and serious surgical operations, according to an announcement by the Herald this morning. The first which was performed three weeks ago failed to relieve Mr. Mansfield and another was decided on last Wednesday, when the actor underwent a trying ordeal at the hands of the surgeons who were called to his New London, Conn., residence. Mr. Mansfield has long suffered from nervousness brought on by a grave intestinal disorder which grew steadily worse. Three weeks ago his condition became so much worse that his New London physician decided on the necessity of an operation. The second one is stated to be entirely successful, and the actor is progressing rapidly toward recovery.

Cured of Lame Back After 15 Years of Suffering.

"I had been troubled with lame back for fifteen years and found complete recovery in the use of Chamberlain's Pain Balm," says John G. Bisher, Gillam, Ind. This liniment is also without an equal for sprains and bruises. It is for sale by all druggists.

Tennessee Negro Giant Dead.

Nashville, Tenn., Sept. 13.—Bud Regan, Tennessee's famous negro giant, is dead at his home in Gallatin. Regan was 8 feet, 9 inches tall. He measured from knee to heel 28 inches, knee to crotch, 31 inches. His hands were 12 inches long. He was drawn around in a wagon by two goats, his legs being too slender to support his gigantic body and enormous feet. Regan was about 36 years of age.

A Remedy Without a Peer.

"I find Chamberlain's Stomach and Liver Tablets more beneficial than any other remedy I ever used for stomach trouble," says J. P. Klote of Edna, Mo. For any disorder of the stomach, biliousness or constipation, these tablets are without a peer. For sale by all druggists.

MISS FANNIE WEEKS REMEMBERS SERVANTS

In Her Will She Offers Fifty Dollar to All Who Are Identified.

DONATION NATIONAL MUSEUM

Collected a Large Number of Indian Relics During Service in the West, and Bequeathed Them to This Institution Under Conditions.

Miss Fannie Weeks, many years ago a resident of this city, and who still has relatives and friends here, and who met a tragic death by falling into a geyser in Yellowstone National Park a few days ago, has made a will, which was probated in Washington, her home, Tuesday.

Miss Weeks was for many years a clerk in the Treasury Department of the United States Government. She was also engaged for a long time in the United States Indian service in the West, and was regarded as a lady of unusual intellectual attainments.

In her will Miss Weeks bequeathed a large collection of Indian goods which she had gathered to the National Museum, to be called the "Miss Fannie Weeks Collection." She also bequeathed to as many of the old negro servants in Florida as are living and can be identified, $50 each. It is probable that some of these old servants reside in this vicinity, for the benefit of whom this notice is given.

Chamberlain's Cough Remedy Aids Nature.

Medicines that aid nature are always most effectual. Chamberlain's Cough Remedy acts on this plan. It allays the cough, relieves the lungs, aids expectoration, opens the secretions, and aids nature in restoring the system to a healthy condition. Sold by all druggists.

Not What the Lawyers Wanted.

"Lawyers have some queer experiences," said the judge. "One of them was telling of a case heard before me. A young man had been arrested for larceny, and he sent for this lawyer.

"The young fellow told the attorney that he was innocent, but that he had no friends in the city and no money. His mother, however, was in fair circumstances, and he knew that she would help him. What he wanted the lawyer to do was to defend him and also send a telegram to his mother telling of his fix and asking for aid. The lawyer agreed to this and made such a good defense that the young man was acquitted.

"He and the attorney went direct to the telegraph office to which the message had been ordered sent and found it. The young man was so grateful to the lawyer that he handed him the unopened envelope, telling him that he must take all the money that his mother had telegraphed him. The lawyer tore open the yellow cover, and his eyes were greeted with these words:

"Put your trust in God. I am praying for you. MOTHER."

In the Orange Free State.

At an examination for admission to the British Military college at Sandhurst many candidates in answer to a question about hydrogen wrote that the gas was not found in the Orange River Colony. This puzzled the examiner, who told the story to an army coach. The coach, after thinking awhile, said: "I have it. I remember impressing the fact on a number of my pupils that hydrogen does not occur in the free state."

NEWS FROM ALL PARTS OF FLORIDA

Brief Happenings From Various Sections of State.

THE MOST IMPORTANT EVENTS

Transpiring in "The Land of Flowers." Things "Boiled Down" to Suit the Busy Reader—Items of Interest to All Classes.

The Tallahassee Daily Capital has started out on volume six. May success attend it.

The total valuation of LaFayette county is $1,497,057, an increase over last year of $250,227.

Live Oak is making it lively for the tramps around that city, consequently they are leaving the town.

The Lakeland Sun says that the new Florida hotel in that city will be ready to serve dinner on New Year's Day.

The Oxford Social and Literary Club is raising for a piano for the school by giving ice cream socials. A good work.

The Governor's horse guards, organized at Tampa, not being recognized by His Excellency, have disbanded.

Times about White City were never looking nicer than they do now. A big crop is assured with fine weather and no frost.

The storms along the East Coast on Monday night shut off telegraph communication with Miami and the cities north as far as Jupiter.

Jacksonville has settled on her dates for the carnival at last—November 9th to 18th. And they allow that it will be the gol durnedst best show ever.

Tampa is having a hard struggle with its cremator and street paving. They have the money, but the brick for paving are not what they ought to be.

The Florida East Coast Railway is being ballasted between Jacksonville and St. Augustine. The East Coast Railway is the best ballasted road in the State.

Tampa cigar makers at the Sanchez and Haya factory are idle, because of a strike among the selectors of stock, who objected to an additional apprentice going to work.

Arcadia will hold her city election on Monday, September 25th. W. M. Platt is the candidate for mayor and has no opposition. The remainder of the ticket is satisfactory.

Editor Stovall of The Tampa Tribune, accompanied by his wife, has gone to Kentucky for a short respite from his labors and to enjoy some of the pure mountain—air of that State.

It will be two years before the work of dredging the 22-foot channel at Tampa is completed, and the work will cost upwards of $350,000. When the channel is completed there will be but one better port on the Gulf Coast—that of Pensacola.

T. J. Shave & Co. of Melbourne have lately purchased about 12,000 acres of land in that vicinity, and are putting their turpentine plant in South Melbourne. The Florida East Coast Railway is now putting in a siding for the firm and soon everything will be in good working order.

Chester Whidden abducted his cousin, Etta Whidden of Arcadia, and took her to Zolfo, where they were married. Her father brought forth his shot gun and rescued his daughter. The groom skipped, and his uncle will prosecute the father for assault. Red fire will be used for the grand climax.

Rev. Sam Smothers, a negro divine, is in jail here, and is being held to await the arrival of the sheriff of Taylor county. The negro is wanted on the charge of murder, the crime having been committed in Taylor county in 1902. The arrest was made by Deputy Sheriff Bob Jackson at Belleair.—Tampa Times.

Louis Beasley fired a revolver shot at Julius Collins, and although he never touched him, Beasley was bound over to the circuit court at St. Augustine for the fall term.

A Monday special to The Tampa Tribune from Fort Myers says P. J. McNally and M. Douglass, white residents of Fort Denaud, were drowned while crossing the Caloosahatchee river. Their boat capsized in mid-stream, and although both were good swimmers, they could not reach the shore. Their bodies have been recovered.

Speaking of timber, how's this for a Madison county stick: Tuesday morning a wagon from Calhoun's mill passed through the streets bearing one stick of sawn timber, which measured 40 feet 2½ inches in length and faced 12x16 inches, containing about 650 feet of one-inch boards. The stick was carried to the Seaboard Air Line depot, where it will be used in the construction of a platform scale.—The New Enterprise.

OLD SORES

ROOTED IN THE BLOOD

Old Sores are the result of a deeply polluted, foul blood supply. The blood is filled with poisons, and as it finds an outlet through the ulcer, the surrounding parts become diseased and the sore eats deeper into the tissues and flesh and becomes a permanent trouble.

Some years ago while at work, I fell over a truck and severely injured both of my shins. My blood became poisoned as a result, and the doctor told me I would have running sores for life, and that if they were closed up the result would be fatal. Under this discouraging report I left off their treatment and resorted to the use of S. S. S. Its effects were prompt and gratifying. It took only a short while for the medicine to entirely cure up the sores, and I am not dead as the doctors intimated I would be, neither have the sores ever broken out again, and some twelve years have elapsed since what I have described occurred. Having been so signally benefited by its use I can heartily recommend it as the one great blood purifier.
Wheeling, W. Va. J. W. FUNDIS.
Care Schmulback Brewing Co.

Salves, powders, plasters, etc., do no good, and the sufferer gets disgusted and often despairs of curing an old sore. The trouble is in the blood and until the poisonous matter that is keeping up the ulcer is driven out the place cannot heal. S. S. S. reaches these old sores through the blood by removing every particle of poison or impurity from the circulation and building up the system. It makes the blood healthy so that as it circulates to the diseased parts the tissues are strengthened and the sore can heal naturally and permanently. If you have an old sore or ulcer do not waste time with salves, powders, plasters, etc., but write for our book and ask for any medical advice you wish. We make no charge for either.

Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostrate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostrate gland and kidney trouble for years, and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old." J. W. McCollum & Co.

Placed Thistles in the Street.

Cincinnati, Sept. 13.—As an outgrowth of trouble which is said to have started when James Marshall placed thistles in the street at Van Wirt so that the children of Levy Mullen could not pass barefooted without being injured, Mullen promptly surrendered to the sheriff, saying that in self-defense he had shot Marshall, who was coming after him with a pitchfork.

Traveling Engineers Meet.

Detroit, Mich., Sept. 13.—Three hundred traveling engineers from the principal railway systems of this country and Canada are attending the thirteenth annual convention of the traveling engineers' association which was called to order here today. The convention will be in session for four days and technical papers and reports will occupy the attention of the delegates.

Sprains.

S. A. Read, Cisco, Tex., writes, March 11, 1901: "My wrist was sprained so badly by a fall that it was useless; and after using several remedies that failed to give relief, used Ballard's Snow Liniment, and was cured. I earnestly recommend it to anyone suffering from sprains." Sold by W. M. Johnson.

GOT HIS HAIR BACK.

Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Manuell, Maryland block, Butte, Montana, bought a bottle of Newbro's Herpicide, April 6, '99, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

NEWS TERSELY TOLD.

Telegraphic communication has been established between Caracas, Venezuela, and Bogota, the capital of Colombia.

Ex-Queen Liloukalani, of Hawaii, celebrated her sixtieth birthday on the 2d of September. A reception, attended by natives, was held at her home.

The Allen line turbine steamer Victorian was floated today at Boston, and is on the way to Quebec where she will be placed in dry dock. The Victorian ran aground on September 2.

The election disturbances at Valencia, Spain, continue. Eight prominent republicans were among the wounded during one affray. Soldiers are guarding the clubs and newspaper offices.

The work in Italy of burying the bodies of those killed by the recent earthquake, continues. In the villages tents and cabins have been provided for the temporary shelter of the homeless.

The official bulletin, issued at Berlin today announced that eight new cases of cholera and three deaths had been reported during the 24 hours ended at noon today, making a total of 166 cases and 61 deaths.

A dispatch from Athens, Tenn., says that Professor Albert Watienberger was cut to death in his school, near this place, by one of his pupils. He had attempted to chastise the boy. The latter made his escape.

It was announced today that Lazard Frenes, banker of New York, had engaged $1,200,000 gold in London for import to New York. The gold was in South American bars and at the present rate of exchange the transaction yielded a profit.

Abscess.

Abscesses, with few exceptions, are indicative of constipation or debility. W. H. Harrison, Cleveland, Miss., writes, Aug. 15, 1902: "I want to say a word of praise for Ballard's Snow Liniment. I stepped on a nail, which caused the cords in my leg to contract and an abscess to rise in my knee, and the doctor told me that I would have a stiff leg, so one day I went to J. F. Lord's drug store (who is now in Denver, Colo.) He recommended a bottle of Snow Liniment: I got a 50c size, and it cured my leg. It is the best liniment in the world." Sold by W. M. Johnson.

Investigating Insurance Methods.

New York, Sept. 13.—Inquiry into the methods pursued by the insurance companies was resumed today by the special session of the legislature last spring. Today's session wa the fourth held by the committee. Inquiry was resumed where it was broken off by adjournment on Saturday when E. D. Randolph, treasurer of the New York Life Insurance company, disposed of assets objected to by the Prussian government.

Like Finding Money.

Finding health is like finding money—so think those who are sick. When you have a cough, cold, sore throat, or chest irritation, better act promptly like W. C. Barber of Sandy Level, Va. He says: "I had a terrible chest trouble, caused by smoke and coal dust on my lungs; but, after finding no relief in other remedies, I was cured by Dr. King's New Discovery for consumption, coughs and colds." Greatest sale of any cough or lung medicine in the world. At all drug stores; 50c and $1; guaranteed. Trial bottle free.

A special to The New York World from London says that a secret treaty has been made between the Czar of Russia and the Emperor of Japan, by the terms of which the Czar of Russia, for the empire, shall pay $500,000,000 indemnity to Japan in five years, less the amount which Russia will pay Japan for maintenance of Russia's prisoners of war. The compact was made without the knowledge even of Baron Komura and Mr Witte. This treaty was made upon the advice of Kaiser Wilhelm. The intermediaries were the ambassador at London and the German ambassador at St. Petersburg.

The Savannah News is annoyed over the action of the G. A. R. at the meeting held in Denver because the old soldiers asked for a "service pension," and favored granting only those who served 90 days a pension. If such a law were passed there would be a big number of names to drop from the roll, as thousands are drawing large sums each month who never served in the army 30 days and would be entitled to no pension under a "service pension law." Headquarters bummers and those who never did one day's duty are the fellows who draw the pensions, while the old soldiers who were on the firing line in the 60's are now numbered with the Army of the Dead.

SCHOOL MONEY.

The financial report of the Board of Public Instruction of Alachua county, which appeared in The Sun of September 13th, is a most satisfactory statement of the expenditures of that board for the year ending June 30th, 1905. The expense of the school system is one that every citizen should willingly pay, and when there has been such ability exercised in the handling of the finances, the people can rest assured that the Alachua county schools are looked after with more than ordinary care and devotion to cause.

The law prescribes a special form for publishing the annual financial statement of the superintendent, and doubtless a number of our readers will fail to get its true meaning. In the first place the debt on June 30th, 1904, was $65,092.59, with cash on hand at that date of $9,658.51, making the net debt at that time, $55,434 08 It will be observed by a perusal of the report that the net debt on June 30th, 1905, is $44,703.05, which shows that the board has paid its actual running expenses, and also paid on the old indebtedness the sum of $10,731 03.

When the true condition is comprehended by the people, it is indeed gratifying to all to know that within the past two years the debt has been lowered over $33,000. Those who have been of the opinion that the School Board was hopelessly in debt, will see plainly that they are mistaken, as under the management of Dr J. L. Kelley, county superintendent, ably assisted by the board, there has been a most successful management of the finances, and although there has been much money devoted to the organization of sub-school districts and the perfecting of other matters for the improvement of our school facilities, the people can feel assured that under such careful direction there is reason to believe that the School Board will be free from debt in a few years.

And the people should also bear in mind that the standing of our schools is steadily on the increase as well, and those in other towns and cities where the public schools are not on the University list, can send their young men here, where they can graduate and enter this State institution of learning without further examination.

FLORIDA FRUIT

The Florida fruit crop, which is always on the move, keeps the country supplied with one kind or another all the time. From one end of the State to the other you can find fruit of all kinds. The lime, lemon, orange, pineapple, persimmon, mango and the aesthetic guava, besides more kinds than we can enumerate without thinking some time.

The guava is the fruit that produces the jelly of our best society, and while it is adored by the enthusiasts who must have something to go into raptures over, the odor from the fruit before it has been purified by the heat of the preserving kettle, is not so sweet as one would imagine who had only sampled the jelly. In fact, it reminds one of feline fetor, and the following told by The Miami Record gives an idea of what it is like:

"A certain gentleman has been in the habit of shipping each year a crate of fruit to a friend in Indiana. One year it is a box of oranges, another a box of grapefruit, and then again avocadoes. This year he notified his friend that he was shipping him a box of guavas, and the Indiana man desiring to get them spoke to the express agent about them. The agent informed him that as soon as the box arrived he would let him know. In a day or two in they came. The agent, seeing the gentleman, said: 'Well, your box has come, but do you know, I really think your guava is dead.'"

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.

Reward will be paid to any person who can find one atom of opium, chloral, morphine, cocaine, ether or chloroform in any form in any of Dr. Miles' Remedies.

This reward is offered because certain unscrupulous persons make false statements about these remedies. It is understood that this reward applies only to goods purchased in the open market, which have not been tampered with in any way.

Dr. Miles' remedies cure by their soothing, nourishing, strengthening and invigorating effects upon the nervous system, and not by paralyzing and weakening the nerves as would be the case if these drugs were used.

For this reason Dr. Miles' Anti-Pain Pills are universally considered the best pain remedy

"I have suffered for 25 years with severe pains in my head, heart and back, and have tried everything I could get and could not find any relief until I got a box of Dr. Miles' Anti-Pain Pills. I suffered as long as 12 hours at a time with such severe pains that I feared I would lose my mind. The Anti-Pain Pills gave me relief in from 10 to 20 minutes. I do not have to use Morphine any more. I wish you would publish this so that other sufferers may find relief."

AN ORDINANCE

Entitled An Ordinance Providing for the Issuance of Bonds and the Creation of an Executive Board Under the Provisions of an Act of the Legislature of the State of Florida, entitled "An Act Extending and Enlarging the Territorial Limits and the Powers of the City of Gainesville, a Municipal Corporation Organized and Existing in Alachua County, Florida, and Providing for the Exercise of those Powers."

Be It Ordained by the Mayor and City Council of the City of Gainesville, Florida:

Section 1. The Mayor and the City Council of the City of Gainesville, in their corporate capacity, under authority of an Act of the Legislature of the State of Florida, entitled "An Act Extending and Enlarging the Territorial Limits and the Powers of the City of Gainesville, a Municipal Corporation Organized and Existing in Alachua County, Florida, and Providing for the Exercise of those Powers," approved the 9th day of May, A. D. 1905, hereby provide by ordinance for the issuance, from time to time, as hereinafter provided, of bonds of said city, to be known as "Public Utility Bonds of the City of Gainesville," to the amount of One Hundred Fifteen Thousand Dollars. The principal and interest of said bonds shall be payable in gold coin of the United States of the present standard of weight and fineness, and for the payment thereof, principal and interest, the entire taxable property of said city and the public utilities acquired and owned by said city shall stand pledged by this ordinance. Each of said bonds shall be of the following denomination, viz: One Thousand Dollars. Said bonds shall be dated the 1st day of January, A. D. 1906, and each of said bonds shall bear interest at the rate of five per cent per annum, payable semi-annually, at the end of periods of six months from the date of the bond. The principal of said bonds shall become due and payable at the following times and upon the following dates, viz: Thirty-five of said bonds of the denomination of One Thousand Dollars shall become due and payable in fifteen years from the date thereof; Forty of said bonds of the denomination of One Thousand Dollars shall become due and payable in twenty-five years from the date thereof; and Forty of said bonds of the denomination of One Thousand Dollars shall become due and payable in thirty-five years from the date thereof. Said bonds, and the interest thereon shall be payable at the office of the City Treasurer of said city. The proceeds arising from the sales of said bonds, at not less than par value, and the purposes for which the issue of bonds proposed to be issued by this ordinance shall be used are the following, viz: The monies arising from the sale of fifty of said bonds, or so much thereof as may be necessary, shall be used to acquire, construct, own and operate a system of sewerage for said city. The monies arising from the sale of fifty of said bonds, or so much thereof as may be necessary, shall be used for the purpose of acquiring, owning, constructing and operating an electric light plant for said city, and for the extension and improvement of said electric light plant. The monies arising from the sale of ten of said bonds shall be used for the purpose of opening, widening, extending or improving the streets of said city. The monies arising from the sale of five of these bonds shall be used for the purpose of acquiring, owning, constructing and operating a public hospital in and for said city. Provided, however, that none of said bonds shall be issued until after the issuance thereof, under the provisions of this ordinance, shall have been approved by a majority of the votes cast by the qualified electors of said city, at a special election which shall be held for that purpose on the 10th day of October, A. D. 1905, in accordance with this ordinance.

Sec. 2. The Mayor and the City Council shall levy and collect annually such special tax on the taxable property within the corporate limits of said city as may be necessary to pay the interest on said bonds, and to provide a sinking fund for the payment of said bonds.

Sec. 3. Said bonds shall be printed or engraved, with interest coupons attached, payable as by this ordinance provided. Said bonds shall be signed by the Mayor, countersigned by the President of the City Council, and attested by the City Clerk, and shall bear the corporate seal of said city, and the interest coupons shall bear an engraved, or printed, fac-simile of the signature of the City Treasurer. When said bonds shall have been so signed and sealed, they shall be turned over to the Board of Public Works, who shall be Trustees for said bonds, and shall be by said Board offered for sale to the highest and best bidders for cash, on sealed bids; but said Board shall have and reserve the right to reject any and all bids, and shall not sell any of said bonds for less than par value. The proceeds for the sales of said bonds, as soon as received by the said Board, shall be deposited in a depository selected by said Board and kept by them in a separate account, to be drawn out only for the purposes for which said bonds are authorized by this ordinance to be issued, upon warrants approved by the Board of Public Works and signed by the Chairman, and countersigned by the Secretary of said Board.

Sec. 4. Said bonds shall be payable to bearer and shall be delivered by said Board only after being countersigned by the Chairman and Secretary of said Board; whereupon said bonds shall become payable to the lawful bearer thereof. It shall be the duty of the

Board of Public Works, as Bond Trustees, when any bond is sold or issued by them, to register the same in a book to be kept for that purpose. The said Board shall keep an accurate account of all bonds and coupons outstanding, and of all such as may be paid.

Sec. 5. For the further protection of the citizens of Gainesville, and of the holders of said bonds, the members of said Board of Public Works, as Bond Trustees, shall be required to give bond, or bonds, conditioned for the faithful performance of all duties devolving upon them under the provisions of this ordinance, said bonds to be fixed by ordinance and approved by the City Council.

Sec. 6. The Treasurer, or other agents or officers collecting or receiving money from any assessment, tax or other source, to be applied to the payment of said bonds, or any of them, or to the sinking fund or interest thereon, or any portion thereof, shall each make, on the first day of each month, and every month, written report in duplicate of the amount of money collected or received from each person, and of all payments by him made under the provisions of said ordinance. One of said reports shall, on or before the third day of the same month, be filed with the City Clerk, and the other with the Secretary of the Board of Public Works.

Sec. 7. It shall be the duty of the City Treasurer, or other agents or officers receiving or accounting for bonds or coupons redeemed, paid or purchased, to cancel the same when received, in the presence of the person from whom he shall receive them, and to deliver all such bonds and coupons to said Trustees, together with the report above mentioned, each month.

Sec. 8. The City Treasurer, by and with the advice and direction of the Board of Public Works as Bond Trustees, shall, from time to time, apply all monies which shall come into his hands as a redemption or sinking fund to the purchase of said bonds, at their market value, or shall, under the same direction, invest said money in bonds of the United States, or of the State of Florida, or in such other bonds or securities, or in such other manner as shall be approved by said Trustees and as may seem to them advisable.

Sec. 9. It shall be the duty of the Board of Public Works, on or before the first day of July of each and every year, to report to the City Council the number of said bonds outstanding, with an estimate of the amount necessary to be raised for interest and sinking fund, which statement and estimate shall serve as a basis of assessment by the City Council for the ensuing year for that purpose.

Sec. 10. The Mayor of the City of Gainesville is hereby directed to issue his proclamation calling a special election to be held in said city on the 10th day of October, A. D. 1905, to determine whether the issuance of bonds proposed by this ordinance to be issued shall be approved by a majority of the votes cast by the qualified electors of said city at said special election, and said proclamation and this ordinance shall be published in a newspaper printed in said city at least once each week for four consecutive weeks, the beginning of such publication being made immediately upon the adoption and approval of this ordinance. At said special election the question of the issuance of bonds to the amount of One Hundred Fifteen Thousand Dollars, and for the purposes proposed in and by this ordinance, shall be submitted to the qualified electors of said city for their approval; that each qualified elector shall have an opportunity to vote for or against the question of the issuance of said bonds for the purposes proposed, and each elector shall cast a paper ballot. Each elector desiring to vote for or against the approval of the issue of bonds for One Hundred Fifteen Thousand Dollars, for the purposes mentioned in this ordinance, may vote a paper ballot containing the words: "For Public Utility Bonds One Hundred Fifteen Thousand Dollars," or "Against Public Utility Bonds One Hundred Fifteen Thousand Dollars," and each of said ballots shall be counted as a ballot approving or disapproving, as the case may be, the issuance of the bonds for the purposes mentioned in this ordinance. The said special election shall be called, held, conducted and the returns thereof canvassed, as nearly as may be practicable, in compliance with the rules, regulations and ordinances governing and controlling the general city elections of said city.

Sec. 11. The City Council shall prepare and furnish all necessary blanks and ballots, and shall make all necessary preparation for said special election, and shall pay for same out of the proper fund in the treasury. The ballots to be used in said election shall be substantially in the following form:

Official Ballot.
Special Bond Election.
City of Gainesville.
October 10th, A. D. 1905.

Make a cross (X) mark before the word "For" or the word "Against," accordingly as you approve or disapprove of the issuance of bonds as proposed.

Vote for one:

For Public Utility Bonds
One Hundred Fifteen Thousand Dollars

Against Public Utility Bonds
One Hundred Fifteen Thousand Dollars

Sec. 12. If the issuance of the bonds, as herein proposed and submitted to be approved by the qualified electors be approved by a majority of the votes so cast, then the bonds so proposed to be issued shall be authorized, and from time to time shall be sold and delivered, as the proceeds are needed for the purposes for which they are authorized.

Sec. 13. There is hereby created by this ordinance a Board of Public Works. Said Board of Public Works shall consist of five members, and the same shall be the permanent Executive Board of said City, and said Board shall be Trustees for the bonds proposed to be issued by this ordinance. The members of said Board of Public Works shall each hold office for the term of five years and until their successors are elected and qualified; provided, however, that the members of the first Board shall be W. W. Hampton, H. F. Dutton, P. M. Colson, W. N. Wilson and S. J. Thomas, who shall enter upon the duties of their office immediately upon the approval by the qualified electors of the proposed issue of bonds, and shall continue in office until June 1st, 1906, and until their successors are qualified. Their successors shall be elected by the qualified electors of said City, one member of said Board at each regular municipal election, to take office the 1st June next after said election. Provided, however, that at the regular municipal election in and for said city on the second Tuesday in April, 1906, there shall be elected at said election five members of said Board, to take their office on the 1st June next after said election, and the person at said election receiving the highest number of votes for said office shall hold office for five years, the person receiving the next highest number of votes for said office shall hold for four years, the person receiving the third highest number of votes for said office shall hold for three years, the person receiving the fourth highest number of votes for said office shall hold for two years, and the person receiving the fifth highest number of votes for said office shall hold for one year, and at each succeeding regular municipal election said members shall be elected as hereinbefore provided. At the regular municipal election in April, 1906, it shall be necessary to vote for five persons for said Board of Public Works in order to constitute a valid or legal ballot in so far as the same relates to said Board. The Board shall fill vacancies in its membership until the next regular municipal election, at which election said vacancy shall be filled for the unexpired term, and the person so elected to fill said vacancy shall take his seat immediately upon his election and qualification. The duties of said Board shall be to receive said bonds as soon as the same are printed or engraved and executed, and to sell the same at not less than par, as provided by this ordinance, and to dispose of the proceeds for the purposes for which said bonds are issued. Said Board shall have the control, supervision and management of the construction, acquisition and operation of the said sewerage system proposed and provided for by this ordinance, and the control and management of the electric light plant and of the extension of same proposed and provided for by this ordinance, and said Board shall have the control, supervision, management and operation of any and all public utilities acquired, constructed or operated, and of all improvements made by or with the monies and funds arising out of and proceeding from the sales of the bonds proposed to be issued by this ordinance. The Mayor and City Council may, by subsequently passed ordinance or ordinances, provide for and prescribe such other and further executive duties and powers of said Board as may be deemed by said Council advisable and from time to time may be rendered necessary. Said Board shall make its own rules, and elect a Chairman and Secretary, and appoint such committees, and remove or change the same, by a vote of a majority of said Board, at any time. All contracts to be signed by said Board, or other papers necessary to be signed by same, shall be signed by the Chairman and Secretary, and attested by a by a common seal to be adopted by said Board. Said Board shall adopt a common seal.

Sec. 14. The members of said Board shall receive no compensation. Three members of said Board shall constitute a quorum for the transaction of business. The ayes and noes shall be called and entered upon a journal upon the passage, of every resolution or order for the expenditure of money. Said Board shall, by rules, provide for the holding of regular and called meetings. Members of said Board shall have a right to take part in all proceedings and deliberations of the City Council on all questions relating to matters under their charge, but without the right to vote. Said Board shall not employ or contract with any of its members. No member of said Board, or other person, whether in the employment of the Board or otherwise, shall have power to create any liability on account of the Board, or of the funds under its control, except by express authority of the Board conferred at a meeting duly and regularly convened.

Sec. 15. The said Board of Public Works shall have exclusive power to employ such heads of departments, engineers, clerks, superintendents, laborers and other persons, as it may deem necessary for the execution of its duties in connection with any and all utilities and improvements said Board has control and supervision of under and by the terms of this ordinance, or may have by subsequently passed ordinance or ordinances, and shall fix their compensation, and any of them may be discharged by a majority of the Board, at its discretion.

Sec. 16. Any member of said Board may be removed from office for incompetency, inefficiency, neglect of duty, or misconduct in office, by the affirmative vote of three members of said Board, approved by the City Council.

Sec. 17. Upon the approval by the electors of the issuance of the bonds provided for and proposed to be issued by this ordinance the bonds shall be executed and delivered to the Board of Public Works, as Bond Trustees, and said Board shall, from time to time, or all at one time, sell the same in compliance with the provisions of this ordinance, and as said Board may deem advisable, and deposit the money in a designated depository, or depositories, which may be required to give special bond.

Sec. 18. In the event that any part of the proceeds of the sales of said bonds proposed by this ordinance to be issued shall not be necessary to effect the purposes hereinbefore designated for which the proposed issue of said bonds are to be used, then such part of the proceeds of said bonds and the monies not so needed may be used for the purpose of improving the streets and parks of said City, and to construct, own, acquire and operate a gas plant for said City, as may be deemed advisable by said Board.

Sec. 19. The Board of Public Works shall have exclusive power to make all improvements and expenditures under this ordinance which shall cost less than Two Hundred Dollars, but shall let all contracts of Two Hundred Dollars and over to the lowest responsible bidder, unless otherwise directed by this ordinance; provided, that said Board shall have and reserve the right to reject any and all bids, when in the discretion of said Board it shall be deemed advisable.

Sec. 20. All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed.

Sec 21. That this ordinance shall take effect immediately upon its passage and approval by the Mayor.

JECT TO SEPARATE SCHOOLS.

...sas Negroes Want to Attend the Schools with White Children.

Kansas City, Mo., Sept. 13.—Negro ...pils were refused admission to the ...hite high school at Kansas Cty, ...sas, and the ward school at Bonner ...rings, Kans., 10 miles distant. In ...th cases the negroes withdrew quiet... and there was no show of a clash. ...In Kansas City, Kans., it is said the ...egroes will test the case in the ...courts.

The Kansas legislature last winter passed an act separating the races in the Kansas City schools, a direct result of agitation following the murder of a white boy by a negro pupil.

Bonds were voted to build a school for the negroes, and pending the erection of the structure the board of education planned to have two sessions daily at the white school, that in the morning for the white children and the session in the afternoon for the negroes. The negroes objected, preferring to sit with the whites.

At Bonner Springs the school board arranged separate roms for the whites and the negroes, but to this the negroes objected, protesting that they would occupy rooms simultaneously with the white children.

At Bonner Springs the negro children were accompanied to school by their parents.

THREE JURORS CURED

Of Cholera Morbus With One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh meat and some souse meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale by all druggists.

Valuable Hotel Property Sold.

Atlanta, Sept. 13.—J. H. Nunnally, receiver of the Marsh estate, has sold the Bowden Lithia Springs, and the hotel at Lithia Springs, together with all the property in connection with the hotel and the springs to the Robinson-Humphrey company of Atlanta. The price paid is understood to be $200,000, and the deal will be closed as soon as the purchasers have confirmed the title to the property. In selling the property Mr. Nunnally acted with full consent of all the heirs to the estate. The Robinson-Humphrey company have not announced their plans in connection with the property, but a company will probably organized to operate the hotel and to keep the water in its present prominent place in the market.

Beautiful Women.

Plump cheeks, flushed with the soft glow of health and a pure complexion, make all women beautiful. Take a small dose of Herbine after each meal; it will prevent constipation and help digest what you have eaten. Mrs. Wm. M. Stroud, Midlothian, Tex., writes, May 31, 1901: "We have used Herbine in our family for eight years, and found it the best medicine we ever used for constipation, bilious fever and malaria." Sold by W. M. Johnson.

Miss Money To Be Sponsor.

Jackson, Miss., Sept. 13—Governor Vardaman, having been advised by the navy department that the battleship Mississippi will be ready for launching at Cramp's shipyards, Philadelphia, on Sept. 30, has appointed United States Senator H. D. Money to take his place as representative of the state and Miss Mabel Money, granddaughter of the senator as sponsor. Governor Vardaman will be unable to attend because of pressing business duties at home.

Dr. Finn's Testimony Interesting.

Dr. Thomas Finn of Boonsboro, Mo., who has practiced medicine for 32 years, says he has used every prescription known to the profession for treatment of kidney and bladder diseases, and says he has never found anything so effective in both chronic and acute kidney and bladder trouble as Foley's Kidney Cure. It stops irregularities and builds up the whole system. J. W. McCollum & Co.

PRINTERS' STRIKE FOR 8 HOURS

Indianapolis, Ind., and Richmond, Va., Scenes of Walkout.

Indianapolis, Ind., Sept. 13.—The International Typographical committee and the committee of the Typothetae of this city failed to agree to an 8-hour day to commence Jan. 1, 1906, at a conference just held.

The local Typographical union has ordered all their members in this city to strike at once in every shop where the 8-hour day is not in effect. One hundred and fifty men are involved here. President James M. Lynch, of the International Typographical union, said last night:

"I have instructed unions in their respective cities to demand contracts immediately for eight hour day to commence Jan. 1. Wherever the demand for the 8-hour day to commence Jan. 1 is refused, they have been instructed to strike at once."

Strike at Richmond.

Richmond, Va., Sept. 13.—Ninety-eight of the hundred and one printers, employed in job offices in this city, walked out here because of the refusal of their employers to accede to the union's demand for an 8-hour work day on and after Jan. 1 next. The newspaper forces are not taking part in the strike.

This is to certify that I have used one bottle of the Texas Wonder, Hall's Great Discovery, and have been greatly benefited, and can cheerfully recommend it to the public.

C. H. OLIVER.

A TEXAS WONDER.

One small bottle of the Texas Wonder, Hall's Great Discovery, cures all kidney and bladder troubles, removes gravel, cures diabetes, seminal emissions, weak and lame backs, rheumatism and all irregularities of the kidneys and bladder in both men and women, regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of $1. One small bottle is two months' treatment and seldom fails to perfect a cure. Dr. Ernest W. Hall, sole manufacturer, P. O. box 629, St. Louis, Mo. Send for testimonials. Sold by all druggists.

McKinstry-Taylor.

Announcement has been made of the approaching marriage of Charles Victor McKinstry and Miss Janie Elizabeth, daughter of Mr and Mrs. A. W. Taylor, which will transpire at the First Presbyterian Church, this city, on the morning of Tuesday, the 26th inst., at 7 o'clock.

Both parties are well known here, having been reared in Gainesville. The prospective groom was born near this city, while Miss Taylor is a Virginian, but has resided in Gainesville for many years. Both are popular young people and have many friends here who will wish them much happiness in advance.

Immediately after the ceremony Mr. and Mrs. McKinstry will take the Seaboard Air Line for points in North Carolina, where they will spend their honeymoon.

A Romantic Marriage.

A rather romantic but pleasant wedding occurred at the Magnolia Hotel in this city Wednesday, Rev. S. B. Rogers of the First Baptist Church officiating. The contracting parties were J. W. Lowman of Williston and Miss Lillie Belle Mott of LaCrosse, who came to Gainesville to meet her intended for matrimonial purposes. Both are popular young people, and while their marriage may come as a surprise, friends will nevertheless extend hearty congratulations.

Ministerial Association.

The Gainesville Ministerial Association held their regular monthly meeting in the study of the First Baptist Church Tuesday afternoon, a full board being present.

Matters of religious interest to the community were discussed, and committees were appointed to formulate action and report at the next meeting. The subject of these matters are of deep interest to the people at large, and a full report of all committees will be made at the next meeting.

Elks' Meeting Tonight.

Hello, Bill! There will be "something doing" at the meeting tonight, which will be held in Masonic Hall, over Dutton's bank, at 8 o'clock and end somewhere along 3 a. m., as a half-dozen fawns have been directed to report for initiation. They will be required to do a few stunts over the hot sands of the desert. Bring your fan, but be sure and be on hand.

CARD TO YOUNG PEOPLE.

School Board Desires to Interest Young People in State Fair.

To the Boys and Girls of Alachua County: Dear Young Friends—It affords me much pleasure to announce to you that the Honorable School Board of the county, at its meeting today, decided to give to the boy who will bring to the office of Dr. J. L. Kelley, county superintendent of public instruction, on or before the 1st day of November, 1905, the largest and most attractive collection of woods growing in Alachua county, three days' board and a free trip to the State Fair at Tampa. The specimens need not be larger than three inches in diameter, sawed on the bias, one end nicely sandpapered and one inch thick, with bark left on; name of specimen in own hand-writing pasted on each.

The same offer is made to the girl who will bring at the time specified the largest and most attractively put-up and labeled collection of the various seeds grown in Alachua county—in seeds, nuts of all kinds, the seed of all kinds of fruit, acorns of every variety, weed seed, grain seed—in fact the seed from which anything in the vegetable or flowery kingdom springs.

The contestant, whether boy or girl, must not be over fifteen years of age, and it must be understood that all collections shall be used by the School Board for exhibition at the Fair.

The Honorable J. L. Kelley and the Honorable Members of the School Board will, at their next meeting, appoint a committee to award the trip, and the names of the successful contestants will be published in due time.

Take all your time between now and the 1st of November to make your collections, and do your level best.

Very sincerely yours,
JOHN W. TATUM,
Collector and Mg'r. Exhibits.

Powder Magazine on Big Battleship Explodes.

AFTER EXPLOSION SHIP SINKS

Fire Started from Unknown Cause and Before Officers and Crew Could Be Rescued, the Flames Reached the Magazines.

Tokio, Sept. 12.—2 p .m.—The navy department announces that the battleship Misaka has been destroyed by fire and the explosion of its magazines causing the loss of 599 lives, including men of other ships, who went to the rescue.

The fire started from an unknown cause at midnight on Sunday night, Sept. 10. Before the officers could be rescued, the fire reached the aft magazine which exploded, blowing a hole in the port side of the vessel below the water line, and causing the ship to sink.

An investigation is now being held to determine the cause of the fire.

The Mikasa was a first-class battleship of 15,200 tons displacement. She was built in England and was launched in 1902. The battleship was 400 feet long and had a speed of over 18 knots and carried four ½-inch guns, fourteen 8-inch guns, twenty 1-pounders, and a number of rapid fire guns. She had four submerged torpedo tubes.

Tokio's Police Chief Resigns.

Tokio, Sept. 12.—10:30 a. m.—The resignation of Tsunayubi Adachi, chief of police, is received with delight here as showing the conciliatory position of the government. The Joji and other local newspapers advocate the solution of the Metropolitan police situation by a new man in the position of chief. This institution was created at a time when rebellion against the early Meiji government was apprehended. A sweeping reform of the present police system is now deemed necessary by citizens of the more thoughtful class.

Great Volcano in Samoa Island.

San Francisco, Sept. 13—Among the passengers who arrived today on the liner Sierra was J. F. Brim, a Mormon missionary from Samoa, who a few days before joining the Sierra at Tutilla visited the scene of the great volcanic eruption on the island of Savaii. The eruption was still active when he came away. The lava, still flowing, had covered a distance of 4 miles. The eruption occurred in a mountain behind the district of Matauta. About 3 o'clock in the morning of August 21, the natives and missionaries for 10 miles around were awakened by a terrific booming. Investigation showed three volcanoes on the Matauta slope in full eruption The Safotu volcano, 30 miles away has also awakened from a long slumber and is once more in full eruption. The town of Safotu is menaced by the flow of lava.

Railroad is Held Responsible.

Norfolk, Va., Sept. 13.—Juries of inquiry from Norfolk city and county who investigated the wreck of the Kingston-Greenville excursion train on the Atlantic Coast Line railway, which went through an open draw over the Western Branch of the Elizabeth river near Bruce's station, Aug. 17, when 17 persons lost their lives and 50 or more were injured, today returned verdicts holding the railroad company responsible because of its alleged negligence in trusting the train to Engineer Reig, who is said to have been unfamiliar with that division of the road.

Bride Charged with Murder.

Elren, O., Sept. 13.—Mrs. Orrin D. Rugg, of Calumet, Okla., has been held for the murder of her husband, who died under mysterious circumstances Saturday night. Mr. and Mrs. Rugg had been married only three months. The coroner's inquest found that Rugg, who was a well-to-do contractor, had come to his death by poisoning.

THE NEWS FROM ALACHUA.

Death of a Child—Approaching Marriage of Mr. F. B. Godfrey.

Alachua, Sept. 13.—Miss Belle Edwards, who has been visiting Miss Eva Powell, has returned to Waldo.

Miss Ruby Hawkins left last week for Tacoma to take charge of her school.

Miss Murray Hawkins, after spending some time at Sanford and other points, has returned.

Mr. and Mrs. W. T. Robarts returned from Daytona Monday, and are receiving the congratulations of their friends.

J. S. Fagan has returned from a trip to Daytona Beach.

Miss Katie Smith has returned, after a pleasant visit to her aunt, Mrs. G. D. McCranie, at Tampa.

Mr. and Mrs. Tom Williams of Wauchula were the guests of Mr. and Mrs. R. A. Turner this week.

R. E. Dell of Dutton visited Mr. and Mrs. J. W. Dell this week.

The Alachua Telephone Exchange will soon be in operation. The central office is located in the Caswell-Bell building.

Mrs. Godbey returned to Waldo Monday, after a pleasant visit to her daughter, Mrs. O. M. Futch. She was accompanied by her daughter, Maud, on her return.

H. N. LeRoy, who has been suffering with a very sore foot, is able to walk around again.

The following which appeared in The Atlanta Journal of Sunday, September 10th, will be read with interest by the many friends of this popular couple. Mr. Godrey is cashier of the Bank of Alachua: "Mr. and Mrs. John Thomas Newton announce the engagement of their daughter, Willie Ora, to Mr. Francis Bartow Godfrey, the wedding to take place October 12 at their home, 'Iveywood,' near Madison. The wedding will be one of much social interest."

Mrs. Pat Hubbard has been quite ill for several days, but is improving slowly.

On Friday, September 1st, 1905, Lucile, the 12-months-old baby of Mr. and Mrs. Arthur Cathcart, closed its eyes to earthly things, and went back to its Maker. Lucile was a very pretty child, of a sweet disposition, and the loving father and mother had surrounded it with all the love and attention possible, but the Master's call was answered promptly, and another angel was added to the happy throng above. The little one was sick only a few hours, congestion of the brain and lungs being the cause of its death. The skill of the physician, the prayers of the parents, and the kind acts of friends and relatives could not stay the hand that wrenched this darling from its parents' arms. The little corpse was buried at Forest Grove September 2nd, but its spirit is safe in the arms of Jesus, where it awaits the happy reunion with loved ones left behind.

It has been decided that we are entitled to permit the casting of 200 votes in the free library contest for each yearly subscription paid for prior to October 15th, 1905. Subscribers who have paid for the paper since June 14th are entitled to vote. Coupons can be obtained at this office.

The Twice-a-Week Sun being entitled to permit the casting of 200 votes in the free library contest for each yearly subscription paid for, the ladies of Kirby Smith Chapter, U. D. C., take this method of notifying those who pay their subscriptions prior to 7 o'clock p. m. of October 14th, 1905, or who have paid since June 14th, 1905, that the Chapter will greatly appreciate their support. Should the Chapter win the library the reference books will be given to the Gainesville High School, where they are badly needed, and the others to the Hospital Association. Simply write the editor of The Sun so permit Mrs. J. F. McKinstry, Jr., to cast your vote, and the ladies will greatly appreciate same.

Jacksonville has settled on her dates for the carnival at last—November 13th to 18th. And they allow that it will be the gol durnedst best show ever.

REJOICING OVER THE SMALL DEATH RATE

New Orleans People Believe They Control Situation.

OUTSIDE TOWNS CALL FOR AID

The Federal and State Authorities Are Doing All in Their Power to Help Rural Communities—Steamer Resumes Trips.

New Orleans, Sept. 13.—Showers and sunshine in the day time with cooler nights continue here but contrary to expectations there is no resulting increase in the mortality which, in the past, has been heavy under such adverse meteorological conditions.

There was little change in the yellow fever situation today. Dr. Warner is impressing upon the people the necessity of guarding against indifference.

"It is true," said Dr. Warner, today, "that owing to the lectures of Dr. Kohnke, the doubting Thomases, like the mosquitoes, have grown less, but one doubting Thomas or one infested mosquito can do great damage. We have not stopped it entirely. The greatest danger to my mind is the failure of physicians to recognize yellow fever and therefore I say that every citizen might promptly to report sickness whether it is in his own home or in his neighbor's. It will do no harm, and it may save many lives."

The theaters are to open here at the end of the week. Both have stock companies. A third, the Greenwall, may open a week later, if the Texas authorities will permit companies from here to enter that state and play the Texas circuit. Manager Greenwall today wrote the Texas authorities on the subject.

Excellent Effect of Death Rate.

The clean score in the matter of deaths in the preceding 24 hours has had a most excellent affect on the people of New Orleans, and in such evidence that the fever is under control to respond to the appeal of Dr. White to exert themselves to the utmost in the war against the mosquito. It is felt by the authorities not to be a matter of great difficulty to stamp out the fever, if the people will faithfully follow instructions now that the malignant character of the disease has disappeared.

Appeals continue to come to the governor and the state board of health from the country for assistance. Leeville has been in need of help and Governor Blanchard is to send money there while the wholesale merchants here hav contributed a carload of provisions. Tallulah is in the throes of despondency but Dr. Chassaignac and a staff of nurses are scheduled to reach there today and it is believed that the town thereafter will again take heart.

People continue to leave Lake Providence, and the authorities are making no effort to detain them because the fewer number of people who remain in the town the sooner will the disease be checked for want of material.

Four new cases of fever have appeared at LaFourche crossing, where there was fever about six weeks ago, but the settlement is completely isolated and it is thought that the disease can be prevented from spreading. The Patterson situation is still serious and the community is completely out of funds.

The steamer Frank B. Hayne leaves today for the river points. This is the first boat to leave for that section since the fever first appeared. People in the country tributary to the Ouachita river have been shut off from New Orleans for nearly seven weeks, and are in sore need of provisions and merchandise. Recently they appealed to local merchants and the board of trade for relief and the starting of the Hayne is the result. The steamer will be permitted to discharge and receive freight under such regulations as local health boards may impose.

One New Case at Natchez.

Natchez, Miss., Sept. 13.—One new case of yellow fever, that of Anna Overton, a negress, on Lincoln avenue, ported this morning. One patient near the original infection, was reported today. has been discharged from the hospital today.

One Death at Pensacola.

Pensacola, Fla, Sept. 13.—The Russian [illegible], who was found in the woods yesterday near Pensacola, wet from the recent rains, covered with ants and mosquitoes and suffering from yellow fever, died at the hospital this morning. There were no new cases reported up to noon today.

LOOKING FOR MOTORMAN.

Police Searching for Man Who Had Charge of Wrecked Train.

New York, Sept. 13.—Detectives continued to search the city during the night for Paul Kelly, motorman of the Ninth avenue elevated train, which jumped the track yesterday at Fifty-third street junction and caused the death of a dozen people and the injury of a large number.

It is feared Kelly has made good his escape. Information reached the police station last night that his sweetheart had managed during the afternoon to draw Kelly's money from a savings bank. The motorman was a strike-breaker who entered the company's employ six months ago. He came here from St. Louis.

According to some of the passengers on the ill-fated train, things went wrong with the motorman from the beginning of his trip down town. At One Hundred and Twenty-fifth street it is said he started the train with such a jerk that a woman carrying a baby was thrown down in the aisle of the first car and the baby was hurt.

Kelly came out of the motor box to see whether she was badly injured and a number of men passengers spoke to him with some roughness, which he resented. The passengers assert that the train continued its course down town with sudden stops and starts which caused much alarm long before the accident.

No additions to the casualty list were reported during the night.

There remained in Roosevelt hospital 12 injured and in Bellevue hospital five. Twenty-two others had been treated and sent to their homes.

JAPANAESE ARE VERY ANGRY.

Baron Komura May Be Met With Hostile Demonstration.

Seattle, Wash., Sept. 13.—Baron Komura, the Japanese plenipotentiary, and his party may be met with hostile demonstration on his arrival in Japan, is the opinion expressed last night by the Rev. H. Kosaki, a prominent Japanese minister who arrived here yesterday to attend the meeting of the American board of Missionaries.

The Rev. Kosaki says, however, that if the class of people who are responsible for the present uprising learn the true conditions of the peace settlement before the arrival of Baron Komura, that he may not be molested.

The Rev. Kosaki also states that it is the intention of his government to take up the work of enlightening the Chinese immediately and that there are present some 8,000 students from the best Chinese families attending educational institutions in Japan, some of them being young women. The minister stated that unless the Japanese receive the indemnity agreed upon as reimbursement for the expenses of taking care of the Russian prisoners that economic depression may result for a year or two. If this money is received within a short time, however, this danger will be averted.

Double Tragedy in Kentucky.

Cincinnati, Sept. 13.—As his wife sat by his bedside Eulass Morgan, a [illegible] farmer living 3 miles from Corbin, Ky., suddenly siezed a razor and cut her throat. Almost immediately afterwards Morgan drew the razor across his own throat. Physicians said that it would be impossible for either to recover. The tragedy was witnessed by two infant children of Morgan, who were found sitting in the room, calling upon their parents to speak to them. Morgan had been ill for eight weeks with typhoid fever and great despondency over his slow recovery is the cause of his deed.

Tartars Cross Border and Compl[ete] Devastate Towns, and Kill the P[eo]ple Regardless of Sex or Age.—Conditions Are Terrible.

St. Petersburg, Sept. 13.—A st[ate] of war has been proclaimed in [the] Caucasian districts of Zangesur [and] Jeabrial, where Tartars are massa[cr]ing the Armenians without distinct[ion] of sex or age. The country is n[ow] swarming with bands of Tartars un[der] the leadership of their chiefs. M[any] thousand of Tartar horsemen have already crossed the [Persian] frontier and joined the insurgents in [de]stroying Armenian villages. At [one] village of Minkend 300 Armenians were slaughtered. Dispatches say [the] mutilated children were thrown to [the] dogs and that the few survivors were forced to embrace Islamism in order to save their lives.

Naphtha firms are cut off from [the] delivery of oil fuel to shipping companies, which are now confronted with the necessity of suspending their services and discharging their employes which would result in leaving thousands with no means of subsistence.

The salt works of Baskunchak have been obliged to close owing to the scarcity of fuel, and this will paralyze the fishing industry.

Agitation Growing at Batoum.

Batoum, Caucasia, Sept. 13.—There is a growing agitation among the local Mussulmans against the Christians. The authorities have seized the government's documents for safety in the event of an outbreak.

100 Killed or Wounded.

Tiflis, Caucasia, Sept. 13.—An [in]dred social democrats were killed or wounded today in a conflict with Cossacks at the town hall and many were trampled to death in the subsequent panic.

Two thousand social democrats forced an entrance into the town hall which was closed owing to the celebration of a religious holiday, the beheading of John, the Baptist. Revolutionary speeches were made, and the chief of police ordered the meeting to disperse. Part of those present obeyed but the remainder refused, and soon revolvers were fired. A large force of Cossacks drawn up outside the building then fired a volley into the crowd time and time again killing and wounding upwards of 70.

In the ensuing panic many persons fell and were trampled to death by their comrades and the pursuing Cossacks.

Vessel Wrecked; Four Bodies Found.

Tacoma, Wash., Sept. 13.—A Valdez dispatch says that a three-masted vessel has been discovered ashore, bottom up, 3 miles from Kakatag beach, Alaska. Her name was not visible, but a bill for goods was found that was made out to the schooner Pro[gress]. The wrecked vessel is apparently of foreign build, but answers the description of the San Francisco vessel of that name. Four bodies have been washed ashore. One is that of George Fo[ster]ling, but the others are unknown. The steamer Excelsior brought the news to Valdez, and wired to Sitka for assistance of the revenue cutter.

A Dead Man at the Wheel.

Honolulu, Sept. 13.—A dead man held the wheel of the schooner on the trip here from Laisan Island. He was a Japanese member of the crew who died clutching the wheel. He was found still holding it and the vessel though greatly damaged by a hurricane which is supposed to have caused his death from over exertion, made port in safety. The schooner Salisbury was somewhat overdue and the United States boat Iroquois had been sent to look for her.

SPACE SECURED FOR STATE FAIR

Alachua County Has Secured One of Most Desirable Locations.

ALACHUA WILL BE THERE

With One of the Finest County Displays Ever Seen at a State Fair in the South—Interest Grows Warmer. Many Exhibits Already Sent In.

Major John W. Tench, collecting commissioner of the Alachua County Fair Association, has returned from Tampa, where he went on Friday to confer with T. J. Laud Brown, president of the Florida State Midwinter Fair Association, in regard to Alachua's exhibit at the State Fair, and to select the space required for the same, as well as to secure what other information that may be necessary in the direction of having the county exhibit show off to the best advantage.

Major Tench states that he was cordially received by President Brown and other officers of the State Fair Association, and was escorted through the grounds, which are now being prepared. Work on the big main building is progressing rapidly, and will be ready fully two weeks before the opening of the Fair, which will be on November 15.

Three spaces have been allotted to Alachua county, 40x37 feet, which will be used for the exhibit. These spaces will occupy one of the most prominent positions in the big building. In another department of the grounds arrangement was made to exhibit the stock and fowls, while the educational and women's exhibits will occupy still another building.

The following changes will be made in the premium lists: For any boy under fifteen years of age bringing the best mechanical device, made by his own hand, a free ticket to and from the Fair, with all expenses paid. This premium was originally $2 cash.

For the best display of buggies manufactured in Florida, $25 gold medal; for the best display of wagons manufactured in Florida, $25 gold medal. These premiums were originally blue ribbons.

For the best dairy of not less than five cows, actually in operation on the grounds, $200; second best, $100.

Are You Engaged?

Engaged people should remember that, after marriage, many quarrels can be avoided by keeping their digestions in good condition with Electric Bitters. S. A. Brown of Bennettsville, S. C., says: "For years my wife suffered intensely from dyspepsia, complicated with a torpid liver, until she lost her strength and vigor and became a mere wreck of her former self. Then she tried Electric Bitters, which helped her at once and finally made her entirely well. She is now strong and healthy." Sold at all drug stores and guaranteed, at 50c a bottle.

Meeting of Council.

The City Council convened in adjourned session Tuesday evening for the purpose of winding up some unfinished business from previous meetings. Among other business transacted was the fixing of the water meter system, and the passing of resolutions governing the water consumers.

Dr. Finn's Testimony Interesting.

Dr. Thomas Finn of Boonsboro, Mo., who has practiced medicine for 32 years, says he has used every prescription known to the profession for treatment of kidney and bladder diseases, and says he has never found anything so effective in both chronic and acute kidney and bladder trouble as Foley's Kidney Cure. It stops irregularities and builds up the whole system. J. W. McCollum & Co.

MOZLEY'S LEMON ELIXIR

REGULATES THE LIVER, STOMACH, BOWELS, KIDNEYS.

The inventor of the famous "TERRELL SCRAPE," a man known wherever plows are sold and used, says:

"I have used MOZLEY'S LEMON ELIXIR for 10 or 12 years in my family for the stomach, liver and kidneys, and find it is the best medicine I have ever used. It is also a sure specific for pain in the back or under the shoulders. I have recommended it in numerous cases to my workmen, when sick and unable to work, and it has always given perfect satisfaction. H. D. TERRELL, President Atlanta Show Co., Atlanta."

PROMINENT MAN ARRESTED.

Mrs. W. D. Smith Alleges That Dr. Davis Obtained Money Falsely.

Quite a sensation was created in this city Tuesday afternoon by the arrest of Dr. G. N. Davis, a prominent figure upon the streets of Gainesville for the past two months.

Dr. Davis is a dentist, and came from Williston to Gainesville. He was a guest when first coming here of Mr. and Mrs. W. D. Smith, 206 W. Court street, and has since been a regular boarder at the Smith household.

The charge upon which Mr. Davis was arrested was made by Mrs. Smith, who alleges he obtained money from her under false pretense, in inducing her to let him have money for securing an option on a certain parcel of land. She states that she let the defendant have the money, $25, for that purpose, and that no option was secured, but the money was appropriated in another way.

Since coming here Dr. Davis has been engaged in the real estate and collection business. About two weeks ago he went to Williston, where he was stricken with fever, and never returned to Gainesville until Monday, when his arrest followed Tuesday.

The defendant was arraigned before Justice Colman, but the case was postponed until Wednesday, the 20th, and he was released on $200 bond, with J. G. Harrold as security.

Sprains.

S. A. Read, Cisco, Tex., writes, March 11, 1901: "My wrist was sprained so badly by a fall that it was useless; and after using several remedies that failed to give relief, used Ballard's Snow Liniment, and was cured. I earnestly recommend it to anyone suffering from sprains." Sold by W. M. Johnson.

A Pretty Home Wedding.

Near Melrose, at the home of the bride's parents, Mr. and Mrs. H. J. Fowler, at noon, September 6th, Miss Alice Elvy Fowler and Mr. W. T. Robarts entered the beautifully decorated parlor to the strains of Mendelssohn's Grand Wedding March, played by the talented Mrs. A. G. McGregor, and there, beneath a lovely canopy of living green and delicate roses, were the words spoken that made them man and wife; the ceremony being performed by their much-loved pastor, Rev. B. R. Moseley.

The bride was beautifully attired in a blue and silver costume, trimmed in cream chiffon and lace, carrying a boquet of exquisite roses and white lilies. She is the daughter of one of Putnam county's substantial citizens, and the sister of Rev. F. J. Fowler, who is now the missionary to Argentina, S. A.; and is one of the gentle ones of earth, with that loveliness of character that combines earthly charms with rare Christian graces.

The groom is one of Alachua's honest, progressive young business men, who numbers his friends by the score.

Many handsome and useful presents were received from friends.

The happy couple left at once amid a shower of rice and other tokens of prosperity, and amid heart-felt adieus from assembled friends for Daytona, where they will visit the parents of Mr. Robarts, when on their return, they will be "At Home" in Alachua.

BOARD OF CONTROL MET.

Three New Teachers Named for University of Florida.

The Florida Board of Educational Control met in this city yesterday for the purpose of disposing of the regular business for the month. Owing to the fact that the Board will not receive the reports of the architects designated to make plans for the University buildings at Gainesville, there was nothing before this meeting other than routine business.

Among the matters disposed of was the regular bills for the month and the appointment of teachers for the University of Florida as follows:

A. H. Chapman of Mississippi, assistant to the head of the department of agriculture.

H. V. Fawcett of Ohio, assistant to the head of the department of agriculture.

Leonard Haseman of Indiana, assistant to the head of the department of entomology.

There were a great many bills paid for the various schools. Those present at the meeting were President N. P. Bryan of Jacksonville, Dr. Brown of Eustis and N. K. Adams of White Springs. Secretary Kellum and President Andrew Sledd of the University of Florida were also in attendance.—Times-Union, 13th.

The Original.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. It is the best remedy for coughs and colds. J. W. McCollum & Co.

Accident to Mrs. Duke.

Mrs. S. V. Duke was the victim Tuesday of a painful accident which will cause her considerable inconvenience for some time. While peeling sugar cane the knife slipped, penetrating the left arm, which caused the member to bleed freely.

Dr. J. H. Colson was summoned and dressed the wound, and at last accounts the lady was resting easily. Friends sympathize with her in this misfortune.

Devoured by Worms.

Children often cry, not from pain, but from hunger, although fed abundantly. The entire trouble arises from inanition; their food is not assimilated, but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once, very much to the surprise and joy of the mother. Sold by W. M. Johnson.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.

MAKING GOOD PROGRESS.

Southern Bell Lines Extend Nearly to Waldo—Big Force Employed.

The lines of the Southern Bell Telephone Company, which the company proposes to extend from this city to Jacksonville, have been stretched to within a short distance of Waldo, and fine progress is reported

Manager J. A. Goodwin of the local exchange states that a force of about forty men under direction of Superintendent of Construction J. M. Goodwin, is engaged, and that they will average about one mile per day of complete line. The line will only be constructed to Baldwin, where connection will be made with the line extending from points in West Florida to Jacksonville.

A Clear Complexion and Bright Eyes.

In most cases a sallow, blotched complexion and dull heavy eyes are due to poor digestion and an inactive liver. Nelson-Littell.

A quiet marriage was performed at the home of Dr. and Mrs. Lartigue at 5 o'clock Monday afternoon, the contracting parties being C. P. Littell, a merchant of Hudson, Fla., and Miss Hilma Nelson of South Carolina.

Miss Nelson has resided in this city for some time, making her home first at the Odd Fellows' Sanitarium and later at the home of Dr. and Mrs. Lartigue. She is a young lady of exceptionally fine features, a general favorite among those who know her, and a friend to all.

The groom is a progressive business man of Hudson, and a gentleman of fine character. He has been successful, because he has made numerous friends who are loyal to him and his interests.

Mr. and Mrs. Littell departed Monday night for Cedar Key, where they will take the former's private launch for their future home this morning.

Congratulations of friends go with the happy couple.

Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostrate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostrate gland and kidney trouble for years, and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old." J. W. McCollum & Co.

Morris-Mallard.

W. O. Morris of this city and Miss Florrie Mallard of Darien, Ga., were married Sunday at the latter place, and have arrived in Gainesville, which will be their future home.

The groom is a young man well known here, where he was reared. The bride, who is an accomplished young lady of sweet disposition, also resided here for some time, and since removing to Darien has visited here several times. She has a large number of friends among the young people who admire her for her social qualities, and who will be delighted to learn that she will again become a resident.

Friends of the contracting parties extend congratulations.

Beautiful Women.

Plump cheeks, flushed with the soft glow of health and a pure complexion, make all women beautiful. Take a small dose of Herbine after each meal; it will prevent constipation and help digest what you have eaten. Mrs. Wm. M. PRISONER CONVICTED MADE HIS ESCAPE

While in Custody of Robert Dixon at Alachua Made Bold Dash.

DISAPPEARED IN DARKNESS

Officer Fired Four Shots at Fleeing Man Without Effect—Had Been Sent Up for Six Months for Petit Larceny.

Ben McNish, a negro about forty years of age, but a slick proposition, having been many times in trouble before, was arraigned before Justice Caswell at Alachua upon a charge of petit larceny Tuesday, convicted and sentenced to serve a term in the county prison of six months. McNish was too smart for the officers, however, and made his escape while waiting for the train to Gainesville.

McNish, who is a well known character in the vicinity of Alachua, has been guilty of several petty crimes, and is looked upon by the officers and people with a suspicious eye. In this instance he was arrested upon a charge of petit larceny, and his reputation was so bad that it did not require long to send him up for six months. He was turned over to Robert Dixon, in default of the fine, who was entrusted to bring him to Gainesville and place him in prison. Dixon took his prisoner to the depot and was waiting for the train, when the man suddenly made a lunge into the darkness and disappeared, four shots being fired at him without effect.

McNish weighs about 165 pounds, and is very dark. Any person apprehending such a negro will please notify Robert Dixon, from whom he escaped, or Constable Sessions, at Alachua.

It will be two years before the work of dredging the 22-foot channel at Tampa is completed, and the work will cost upwards of $350,000. When the channel is completed there will be but one better port on the Gulf Coast—that of Pensacola.

CALAMITY LIAR HAS BEEN NAILED

No Refugees From New Orleans Have Arrived at Cedar Key.

BOATS HAVE BEEN SCARCE

Reported That Persons From New Orleans and Pensacola Were Congregating in Cedar Key and Mingling With Her People Denied.

Some calamity liars, as they have been appropriately termed, have been getting in their work in Gainesville for the past two or three days, stating that visitors were coming to this city from Cedar Key, and that that place was full of refugees from Pensacola and New Orleans. So anxious did a number of citizens become regarding this matter and the threatened danger regarding the breaking out of a contagious disease here, that a committee waited upon Dr. J. Harrison Hodges, agent for the State Board of Health, Tuesday afternoon.

Dr. Hodges stated to the committee that he felt sure there was no truth in the rumor; that he believed Dr. R. T. Walker, quarantine officer at that point, was too cautious an official to permit such irregularities.

For the satisfaction of all concerned Dr. Hodges wired Dr. Walker in the matter Tuesday evening and Wednesday morning received the following reply:

"As regards the reports about the boats coming in here from New Orleans and Pensacola, I am sure they have been very much exaggerated. I know of no boat that has reached here from Pensacola since the fever begun there; and only one from New Orleans since the fever was announced there, and that one went first to Key West, where she was fumigated and quarantined, then to Tampa, where she remained for several days for repairs. When she got here she laid out in the Gulf, seven or eight miles from town, and discharged her cargo.

"We have no quarantine on against Pensacola, and cannot put it on till Dr. Porter orders it. When he is satisfied that we are in danger I think he will attend to the matter. He knows more about the conditions than I do.

"Very sincerely yours,

"R. T. WALKER,

"Quarantine Officer."

THE YELLOW FEVER.

No New Cases at Pensacola—New Report Very Favorable.

Pensacola, Sept. 13.—There were no new cases and no suspicious cases reported up to noon today. The good effect of the general fumigation is being felt. The equipment for the detention camp at Flomaton is being put in readiness.

At New Orleans.

New Orleans, Sept. 13.—From 6 p. m. yesterday to noon today there were 16 new cases and three deaths. Total cases to date, 2,386; total deaths, 320.

At Other Points.

At Tallulah, La., three doctors and half a dozen nurses are busy. About every square in the town is infected.

Places near New Orleans report as follows: Patterson, two cases, one death; St. Rose, two cases; Lurette, three cases.

Chester Whidden abducted his cousin, Etta Whidden of Arcadia, and took her to Zolfo, where they were married. Her father brought forth his shot gun and rescued his daughter. The groom skipped, and his uncle will prosecute the father for assault. Red fire will be used for the grand climax.

The said land being assessed at the date of the issuance of such certificate in the name of S. P. Thomas.

Unless said certificate shall be redeemed according to law, tax deed will issue thereon on the 16th day of October, A. D. 1905.

Witness my official signature and seal this the 6th day of September, A. D. 1905.

WOMEN SUFFER NEEDLESS MISERY.

There are hundreds of thousands of women in America suffering from Female Diseases, endangering their lives by doing nothing. If they write to me I will give them the benefit of my extensive experience.---S. B. Hartman, M. D.

IN view of the great multitude of women suffering from some form of female disease and yet unable to find any cure, Dr. Hartman, the renowned genecologist, has announced his willingness to direct the treatment of as many cases as make application to him during the summer months without charge.

The treatment will be conducted by correspondence.

The medicines prescribed can be obtained at all drug stores.

The Doctor will prescribe all medicines, applications, hygienic and dietary regulations necessary to complete a cure. Furthermore, all correspondence will be held strictly confidential.

This offer will hold good only during the summer months. Any woman can become a regular patient by sending a written statement of her age, condition of life, history and symptoms of her derangements, and previous treatment.

Pe-ru-na Brought Health and Happiness.

Miss Nellie South, late of Manchester, Eng., writes from 86 Prince Arthur St, Montreal, Can., as follows:

"Peruna has made a wonderful change in my life. It has brought me health and happiness.

"Since my seventeenth year I have had female complaint and irregularities. My general health suffered, I had pains in my back and lower limbs, my eyes were dim, and I became morose and unreasonable.

"Mother sought the advice of our family physician, who prescribed for me, but I grew no better.

"I then read of Peruna and procured a bottle. That one bottle was worth more than all the doctor's medicine I had taken previously.

"I cannot express my gratitude. Peruna has been a great blessing to me."—Nellie South.

Miss Edna Moore, 46 Elm street, Buffalo, N. Y., Secretary East End Literary Association, writes:

"I was a great sufferer from systemic catarrh, was extremely nervous, could not sleep, fainted easily, was very irritable, had a confusion of the senses, and got up in the morning feeling more tired than when I went to bed.

"I was very wretched, but upon taking Peruna I began to improve, and after using the medicine four months, I felt like a new woman and was completely cured."—Edna Moore.

The principal remedy which Dr. Hartman relies upon in curing catarrhal diseases of women is Peruna. Hundreds of women sufferers find Peruna a household necessity.

MISS Angelina Grotten, 305 St. Urbain street, Montreal, Can., writes:

"Having heard Peruna praised so highly induced me to try it for my cold, and pains in the groins with which I had been suffering for months. It took nearly three bottles to cure me, but I consider that was but a short time, as I have often taken doctors' prescriptions for months before I got relief."—Angelina Grotton.

As is well known, Dr. Hartman is the President of the Hartman Sanitarium, an institution which has a department devoted to the treatment of female diseases.

He is thus brought to see thousands of such cases every year, the most of whom return to their homes to be treated by correspondence.

Those wishing to become patients should address Dr. S. B. Hartman, Columbus, Ohio.

We have on file thousands of testimonials like the ones given here. We can give our readers only a slight glimpse of the vast array of unsolicited endorsements we are constantly receiving. No other physician in the world has received such a volume of enthusiastic letters of thanks as Dr. Hartman for Peruna.

MISS FANNIE WEEKS REMEMBERS SERVANTS

In Her Will She Offers Fifty Dollar to All Who Are Identified.

DONATION NATIONAL MUSEUM

Collected a Large Number of Indian Relics During Service in the West, and Bequeathed Them to This Institution Under Conditions.

Miss Fannie Weeks, many years ago a resident of this city, and who still has relatives and friends here, and who met a tragic death by falling into a geyser in Yellowstone National Park a few days ago, has made a will, which was probated in Washington, her home, Tuesday.

Miss Weeks was for many years a clerk in the Treasury Department of the United States Government. She was also engaged for a long time in the United States Indian service in the West, and was regarded as a lady of unusual intellectual attainments.

In her will Miss Weeks bequeathed a large collection of Indian goods which she had gathered to the National Museum, to be called the "Miss Fannie Weeks Collection." She also bequeathed to as many of the old negro servants in Florida as are living and can be identified, $50 each. It is probable that some of these old servants reside in this vicinity, for the benefit of whom this notice is given.

McKinstry-Taylor.

Announcement has been made of the approaching marriage of Charles Victor McKinstry and Miss Janie Elizabeth, daughter of Mr. and Mrs. A. W. Taylor, which will transpire at the First Presbyterian Church, this city, on the morning of Tuesday, the 26th inst., at 7 o'clock.

having been reared in Gainesville. The prospective groom was born near this city, while Miss Taylor is a Virginian, but has resided in Gainesville for many years. Both are popular young people and have many friends here who will wish them much happiness in advance.

Immediately after the ceremony Mr. and Mrs. McKinstry will take the Seaboard Air Line for points in North Carolina, where they will spend their honeymoon.

Live Oak is making it lively for the vagrants around that city, consequently they are leaving the town.

SCHOOL MONEY.

The financial report of the Board of Public Instruction of Alachua county, which appeared in The Sun of September 18th, is a most satisfactory statement of the expenditures of that board for the year ending June 30th, 1905. The expense of the school system is one that every citizen should willingly pay, and when there has been such ability exercised in the handling of the finances, the people can rest assured that the Alachua county schools are looked after with more than ordinary care and devotion to cause.

The law prescribes a special form for publishing the annual financial statement of the superintendent, and doubtless a number of our readers will fail to get its true meaning. In the first place the debt on June 30th, 1904, was $65,092.59, with cash on hand at that date of $9,658.51, making the net debt at that time, $55,434 08. It will be observed by a perusal of the report that the net debt on June 30th, 1905, is $44,703.05, which shows that the board has paid its actual running expenses, and also paid on the old indebtedness the sum of $10,731.03.

When the true condition is comprehended by the people, it is indeed gratifying to all to know that within the past two years the debt has been lowered over $33,000. Those who have been of the opinion that the School Board was hopelessly in debt, will see plainly that they are mistaken, as under the management of Dr J. L. Kelley, county superintendent, ably assisted by the board, there has been a most successful management of the finances, and although there has been much money devoted to the organization of sub-school districts and the perfecting of other matters for the improvement of our school facilities, the people can feel assured that under such careful direction there is reason to believe that the School Board will be free from debt in a few years.

And the people should also bear in mind that the standing of our schools is steadily on the increase as well, and those in other towns and cities where the public schools are not on the University list, can send their young men here, where they can graduate and enter this State institution of learning without further examination.

FINED ONE DOLLAR.

Mrs. Ruth Freeman of Jacksonville was convicted of aggravated assault on Owen Loadholtz, and on Monday Judge Shaylor of the Criminal Court of Record imposed a fine of $1 and costs upon Mrs. Freeman. Loadholtz is charged with the ruin of a daughter of Mrs. Freeman, Miss May Brown, and afterwards killing her by shooting, for which he was tried and convicted and fined $300, claiming he did the shooting in self-defense, Mrs. Freeman having fired at him in the court room of Justice Farris.

Loadholtz can consider himself lucky in getting out of his trouble as easily as he did, as the extreme penalty for even carrying concealed weapons was not meted out to this specimen of depravity who gloated over his criminal relations with Miss Brown, and he will be despised by all decent people with whom he may come in contact.

While Judge Shaylor did a commendable act, there is no reason why he should not have done as he did, except in the case of Loadholtz, who should have had the full extent of the law for carrying concealed weapons—a practice that is causing more trouble than any one violation of law in the State, and for which, in only a few cases, the judge before whom such law-breakers are arraigned have the courage to fine them the minimum sum or sentence prescribed by the law.

NO MISFITS.

There are no misfits in Gainesville. We have men in office that are fitted for the positions they occupy, and there is no internal discord about matters of public interest. The head of the city government fills his place with dignity and for the city's welfare, the other officials are quite as efficient, and all seem to work for the same end—the betterment of our city. No city in Florida is making more steady progress than Gainesville, and it is simply because there are no men connected with the municipality that are working for anything but its best interests. Where all are united for the welfare of the city there can be nothing but success follow their efforts, and it is a fact beyond contradiction that within the corporate limits of the city, among the men who have the manipulation of its affairs, Gainesville has "no misfits."

CHICKEN RAISING.

The high prices paid for chickens and eggs in this city should be an inducement to farmers and others to engage more extensively in this industry, as at the prices paid for both chickens and eggs there is no reason why it could not be made to pay a good profit.

There is always a good market in Gainesville at top prices, and many chickens are shipped from points North of here to the Southern portion of this State, and it seems as though a chicken farm in this vicinity could be made to pay a much better profit to the growers than those of Kentucky and Tennessee, where they are obliged to send their products such a distance to find a ready market.

The raising of chickens in Florida requires considerable care and attention, and the man who goes into the business on a large scale must devote some time to the work, yet it seems as though the prices would warrant this, when eggs are sold in the North as low as eight and ten cents a dozen, but seldom go below 20 cents in this city, if ever.

Spring chickens, too, are always in demand, and the man who goes into the business can certainly find a ready sale for all the chickens and eggs he can produce.

PENSACOLA.

However the fever may affect business in Pensacola, says The Journal, the butiness men of the city all realize, we think, the importance of maintaining a bold front as well as putting up a bold fight to suppress the disease.

The only way to maintain that bold front to the public is through the newspapers. The public and the outside world generally will judge of the effect of the fever here, entirely by the appearance of the newspapers—they will have no other way to determine it. If the newspapers maintain their regular appearance, well and good; if they fail to do so, the city itself will be the sufferer.

The business men of the city are to be congratulated on their proper appreciation of the situation. The adequate support of a newspaper is not a large thing to each one of them individually, but it means in the aggregate a great deal to the newspaper which is reflecting to the public every day the spirit and the enterprise of the city itself.

CARD TO YOUNG PEOPLE.

School Board Desires to Interest Young People in State Fair.

To the Boys and Girls of Alachua County: Dear Young Friends—'t affords me much pleasure to announce to you that the Honorable School Board of the county, at its meeting today, decided to give to the boy who will bring to the office of Dr. J. L. Kelley, county superintendent of public instruction, on or before the 1st day of November, 1905, the largest and most attractive collection of woods growing in Alachua county, three days' board and a free trip to the State Fair at Tampa. The specimens need not be larger than three inches in diameter, sawed on the bias, one end nicely sandpapered and one inch thick, with bark left on; name of specimen in own hand-writing pasted on each.

The same offer is made to the girl who will bring at the time specified the largest and most attractively put-up and labeled collection of the various seeds grown in Alachua county—in seeds, nuts of all kinds, the seed of all kinds of fruit, acorns of every variety, weed seed, grain seed—in fact the seed from which anything in the vegetable or flowery kingdom springs.

The contestant, whether boy or girl, must not be over fifteen years of age, and it must be understood that all collections shall be used by the School Board for exhibition at the Fair.

The Honorable J. L. Kelley and the Honorable Members of the School Board will, at their next meeting, appoint a committee to award the trip, and the names of the successful contestants will be published in due time.

Take all your time between now and the 1st of November to make your collections, and do your level best.

Very sincerely yours,
JOHN W. TESCH,
Collector and Mg'r Exhibits.

STREET BUILDING MACHINERY HERE

Material Has Been Ordered and Work of Paving Will Begin.

WEST LIBERTY STREET FIRST

This Thoroughfare Will be Paved From the Gainesville and Gulf Tracks to the University Grounds—Government Will Furnish an Expert.

The road and street machinery ordered by the City Council a few weeks ago has arrived, and work upon the principal thoroughfares of the city will begin at once.

The first work to be undertaken will be West Liberty street, from the Gainesville and Gulf Railway tract to the University grounds, a distance of a little more than half a mile.

The machinery is modern in every way, and the best of its class that could be secured. It comprises one ten-ton steam roller, with harrower, and pulverizer combined, one No. 4 Champion crusher, and one twenty-five horse-power electric motor from which the power is to be supplied. Workmen have been engaged for the past two or three days in constructing an immense bin of forty-eight tons capacity. This bin is located immediately beside the Gainesville and Gulf tracks, near the depot, and the material may be unloaded from the cars into the bin.

The people of Gainesville are to be congratulated upon the fact that no better material in the world for street-building purposes can be found than in Alachua county. Chairman W. B. Taylor of the street committee has exhibited a sample of flint as hard as steel, which came from the quarries of O. P. Cannon of Rocky Point. Chairman Taylor has contracted with Mr. Cannon for the delivery of from 2,000 to 5,000 tons, which means that street building will be one of the orders of progress with the city for some time to come.

The United States Government has generously consented to send an expert here for two months, for the purpose of properly training some person in practical street and road building, which will mean a great deal to the city and county.

Work on West Liberty street will begin at once.

CHATTANOOGA HAS BIG FIRE.

$500,000 Conflagration Takes Place in Tennessee City—Cause Unknown.

Chattanooga, Tenn., Sept. 12.—At least $500,000 is the estimated loss in a fire which broken out here in the freight yards of the Cincinnati, New Orleans and Texas Pacific Railway company, totally destroying the freight depot, with its entire contents, 42 freight cars, most of which were fully loaded; two mail cars, two baggage cars and the private car of Superintendent M. W. McGuire. Four hours' time was required by the combined fire departments of the city in extinguishing the flames, which had spread rapidly before the alarm was turned in, and on account of the difficulty the tracks made of reaching the burning point.

The origin of the fire is a complete mystery. It was discovered at 6:55 p. m. by a watchman. At the time flames were pouring through the roof of the freight depot, and in a few seconds they had attacked a number of cars which were standing along the tracks. An effort was made to move some of the cars, but all could not be gotten away on account of the density of the smoke and the intense heat.

SHOOTS GIRL; COMMITS SUICIDE.

Young Woman Refuses to Marry Youth Who Commits Deed.

Frederick, Md., Sept. 12.—Because his 16-year-old sweetheart persisted in her refusal to marry him and had dismissed him, Lee Weddle, 17 years of age, is dead by his own hand, the sweetheart, Nellie Eichelberger, is suffering from two pistol shot wounds that may prove fatal, and her friend and companion, Maud Davis, has a bullet wound through her arm.

Miss Eichelberger, with Miss Davis and another girl, were shopping and had reached the public square of Thurmont when Weddle approached and took Miss Eichelberger to task for sending him his letter of dismissal.

Upon her reiterating the sentiments she expressed in the letter, Weddle drew a revolver and fired at her twice. The first of the bullets went brough Miss Davis' arm and into Miss Eichelberger's left shoulder; the second penetraed a few inches to the right of the first.

As his victim fell fainting to the ground, the boy, believing he had killed her, turned the weapon upon himself and sent two bullets through his own heart, dying instantly.

BRYAN GIVES MONEY TO SCHOOL.

The Famous Bennett Will Case Is Fnally Settled.

New Haven, Conn., Sept. 12.—Rev. Alexanders E. Irvine, of this city, has received a letter from William J. Brown, executor of the estate of Philo S. Bennett, saying that the estate has been settled. Mr. Bryan submits a list of the payments to be made out of the estate, including the Bennett prize fund. Mr. Bryan's fund for poor boys and his fund for poor girls, each of the three amounting to $10,000. Mr. Bryan's funds are distributed among normal schools and colleges throughout the south and west, and are given to aid girls and boys in securing an education. The Bennett prize fund is shared by several colleges and universities throughout the country.

Mr. Bryan announces that he shall not use any of the executor's fees for himself, but that he has divided them up into small charitable donations. The provisions of the "sealed letter," over which there was a contest by the residuary legatees, have been lived up to, according to the executor's report, the $50,000 being distributed to educational and charitable institutions.

$300 Is Taken From Rich Farmers in State of Illinois.

Chicago, Sept. 12.—A dispatch to the Record-Herald from Elgin, Ill., says:

Bound, gagged and tortured by three bandits who sought to make them reveal the hiding place of a treasure they thought concealed in the house, Andrew and John Fohren, old and wealthy farmers living near Spring Lake, 12 miles north of here, are in a serious condition, and it is feared that the shock and injuries may prove fatal to Andrew, the elder of the two brothers.

Andrew, after the robbers had made a search of the house and taken $300, managed to free himself from the thongs which held him and started across the fields to secure help. The soles of his feet were blistered, however, and before he had gone far he fainted and fell in a ditch where he lay until after daylight. Finally he revived and made his way to a cheese factory where he gave the alarm, but the bandits had gained a start of several hours. The bandits appeared last night and when refused admittance battered in the door and overpowered the old men, after a brief struggle. They searched the house and finding only $300 concluded that a larger sum was concealed somewhere. They beat and choked their victims and finally applied lighted papers to the soles of their feet to make them tell where the supposed treasure was hidden.

After an hour of excruciating torture, John Fohren fainted from pain and the robbers left. John was still unconscious when assistance arrived but revived and is in a less serious condition than his elder brother.

Young Man Crushed to Death.

Cordele, Ga., Sept. 12.—Harry Davis, a young white man, was killed in the yards of the Atlanta and Birmingham Railway company in this city by being run over by a through freight train. Mr. Davis was flagman on the train and was attempting to make a coupling when caught and run over. His body was cut in twain and his liver was found a few feet away from the body, having been torn completely out. No one seems to know exactly how the young man fell, thought the las tseen of him alove he was between the cars attempting to make the coupling while the train was in motion.

You Must Sleep.

If you cannot, it is due to an irritated or congested state of the brain, which will soon develope into nervous prostration.

Nature demands sleep, and it is as important as food; it is a part of her building and sustaining process. This period of unconsciousness relaxes the mental and physical strain, and allows nature to restore exhausted vitality.

Dr. Miles' Nervine brings refreshing sleep, because it soothes the irritation and removes the congestion.

It is also a nerve builder; it nourishes and strengthens every nerve in your body, and creates energy in all the organs.

Nothing will give strength and vitality as surely and quickly as Dr. Miles' Nervine.

"During the past winter I had two attacks of LaGrippe which left me very weak, and in bad condition. I was so nervous I could not sleep. My wife, after trying different remedies, went for a doctor. The doctor was out, and a neighbor recommended Dr. Miles' Nervine, and she brought home a bottle. I had not slept for some time, and had terrible pains in my head. After taking a few doses of Nervine the pain was not so severe, and I slept. I am now taking the second bottle, and am very much improved."
HENRY M. SMITH, Underhill, Vt.

Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

Mrs Dr. R. L. Robb is at home again, after a pleasant visit to Madison, Wis., Chicago, Ill., and other points in the West, where she has been for a much-needed rest. Friends will be glad to know that she is greatly improved.

E. H. Smith of Tioga, superintendent of the naval stores interests of the Cummer Lumber Company, was in the city Saturday, for the purpose of increasing his team force. He purchased from Crawford & Davis five head of fine young mules.

Lieutenant J. W. Blanding and Sergeant W. O. Morris have returned from Sea Girt, N. J., where they were with the Florida team in the International shoot for the past two weeks. The people of Gainesville are proud of the record made by these young men, which was as good as the average of the entire enlistment.

Gen. P. Morris, Dr. J. M. Boring and M. W. Hogan of Waldo, trustees of the Waldo school, were in the city yesterday on business with Superintendent Kenny. Mr. Morris, who called at The Sun office, stated that the school opened Monday with an attendance of 100, and that the prospects for a successful term were very good.

The Savannah News of Saturday contained mention to the effect that Miss Nannie Weeks, the lady who so tragically met her death by falling into a boiling spring in Yellowstone Park a few days recently, was an aunt of Mrs. Dr. J. H. Colson of this city. The unfortunate lady was not an aunt of Mrs. Colson, but a distant relative. She has been a resident of Washington, where she was employed in government positions for many years.

Lowe Smith of Evinston was in the city for a few hours yesterday. Mr. Smith was en route to Waycross, Ga., where he had information of the illness of his brother.

Perry M. Colson and S. G. Gay left yesterday for Jacksonville on business. These gentlemen expect to engage in the manufacture of naval stores together, but have not yet decided upon a location.

Prof. M. C. McIntosh of Tallahassee, chief clerk in the office of Superintendent Holloway, was in the city for a few hours yesterday, and left in the afternoon for his home at Rex, where he will be the guest of relatives.

S. G. Nelson of Williston was among the visitors to this city Sunday. Mr. Nelson is associated with J. H. Manners of the International Harvesting Machine Company in farming at Williston. Mr. Nelson, who is a practical farmer and trucker, is manager of the business.

From Wednesday's Daily Sun:

Captain J. S. Neal of McIntosh was a visitor to Gainesville yesterday.

S. P. Thomas of High Springs was a visitor to Gainesville yesterday.

Mrs. E. J. Smith of High Springs visited friends in this city yesterday.

Mesdames A. Hunsicker and G. L. Beck of Rocky Point were shopping in the city yesterday.

Joseph Kohler left yesterday for Bowling Green, Ky., where he expects to remain a few weeks.

C. W. Bauknight, one of the leading merchants of Archer, was transacting business in this city yesterday.

John Phillips of Fairfield and R. M. Chamberlain of Tacoma were among the visitors to Gainesville yesterday.

H. A. Pickett and R. P. Miller of Newberry were among the prominent West End visitors to the county capital yesterday.

C. T. Cason, one of the solid citizens of LaCrosse, was a visitor to Gainesville yesterday and renewed his subscription to The Sun.

J. E. Thrasher, one of the leading merchants of Micanopy, was among the visitors to this city yesterday. He made The Sun an agreeable call.

Prof. W. H. Cassels was in the city Monday and made this office a brief call. He is now located at Alachua, having recently returned from Forsyth, Ga.

Ira J. Carter of Newberry was in the city yesterday. Notwithstanding that Mr. Carter is a very young man, he is one of the leading business men of the West End.

Mrs. Dora Wallace, who has been so successfully connected with the Endel Inn for the past two years, has removed into her own home, having become tired of public boarding-house trials.

Mr. and Mrs. W. T. Robarts passed through the city yesterday en route from Hawthorn to their home at Alachua. Mr. Robarts was recently married at Melrose to Miss Alice E. Fowler.

J. S. Means, a progressive citizen of McIntosh, was in the city yesterday. Mr. Means is preparing to erect a comfortable and modern home at McIntosh, and was here for the purpose of purchasing material.

Miss Irene McCreary left yesterday to resume her studies at Randolph-Mason College, Lynchburg, Va., after a pleasant vacation with her parents, Mr. and Mrs. H. H. McCreary. This young lady has many friends who regretted her departure.

Clyde Reese of Tacoma, Robert McDonald of Williston, E. J. Rivette of Cyril and Fletcher Morrison of High Springs were among the visitors to this city yesterday. The latter was en route to Melrose, where he will be the guest of relatives for a few days.

READ THIS.

DYERSBURG, TENN., June 1, 1901.

This is to certify that I have used one bottle of the Texas Wonder, Hall's Great Discovery, and have been greatly benefited, and can cheerfully recommend it to the public.

C. H. OSBORN.

A TEXAS WONDER.

One small bottle of the Texas Wonder, Hall's Great Discovery, cures all kidney and bladder troubles, removes gravel, cures diabetes, seminal emissions, weak and lame backs, rheumatism and all irregularities of the kidneys and bladder in both men and women, regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of $1. One small bottle is two months' treatment and seldom fails to perfect a cure. Dr. Ernest W. Hall, sole manufacturer, P. O. box 629, St. Louis, Mo. Send for testimonials. Sold by all druggists.

Mrs. F. T. McCormick has returned from Baltimore and other Northern markets, where she purchased a fine line of fall and winter millinery. She has opened an up-to-date store in the Hill building, East Liberty street, and proposes to conduct a modern establishment.

Work has begun on the brick building of S. H. Benjamin of Micanopy, which will be a modern structure in every respect. The building will contain three stores, and will no doubt meet a ready demand, as the commercial interests of Micanopy are very encouraging just now.

Mrs. Julia Sadler and daughter, Miss Belle, have gone to Blackshear, Ga., where Miss Belle will enter a Presbyterian college. The young lady was a student of East Florida Seminary, and is regarded as exceptionally bright. It goes without saying that she will make a fine record at the new school.

The attention of our readers is directed to the annual statement of the Board of Public Instruction, which appears in this issue. This statement is quite interesting, as it shows the various sources from which the funds for school purposes were derived, as well as the manner in which they were expended.

M. J. Main of Rocky Point has returned from Nocatee, where he has been for the past few days looking after his interests. He is associated with his brother, George A. Main, in the ownership of a fine seventeen-acre grove at that point, and states that the prospects for a fine crop were never better.

W. Trueheart Bodiford, after a vacation of several months in this city, left yesterday for Asheville, N. C. On October 2d he will return to Baltimore, where he will resume his studies in the pharmaceutical department of the University of Maryland. Mr. Bodiford is a promising young man with a bright future, and his friends congratulate him upon his rapid advancement.

Homer Love of Trenton was a business visitor to Gainesville yesterday. Mr. Love is engaged in the ginning business and states that the damage to the cotton crop is apparently not as bad as some farmers have placed it. He believes that 10 per cent on an average in his section will cover all loss on this staple. The ginning so far this season averages favorable with last year.

Alachua and Baker counties are taking a lively interest in the State Fair. Major Tench, the Fair Commissioner of the former county and Mr. Barber of the latter county, were in the city yesterday and spoke of the active work being done by their people toward making a creditable exhibit. Major Tench makes no secret of the fact that Alachua expects to capture the first county prize, and Mr. Barber, while he is not making any claims, says that Baker will be somewhere near the top.—Tampa Tribune, 10th.

Tumors Conquered Without Operations

Unqualified Success of Lydia E. Pinkham's Vegetable Compound in Cases of Mrs. Fox and Miss Adams.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy, Tumor.

So-called "wandering pains" may come from its early stages, or the presence of danger may be made manifest by excessive menstruation accompanied by unusual pain extending from the ovaries down the groin and thighs.

If you have mysterious pains, if there are indications of inflammation ulceration or displacement, don't wait for time to confirm your fears and go through the horrors of a hospital operation; secure Lydia E. Pinkham's Vegetable Compound right away and begin its use and write Mrs. Pinkham of Lynn, Mass., for advice.

Read these strong letters from grateful women who have been cured:

Dear Mrs. Pinkham:— (First Letter.)

"In looking over your book I see that your medicine cures Tumor of the Uterus. I have been to a doctor and he tells me I have a tumor. I will be more than grateful if you can help me, as I do so dread an operation."—Fannie D. Fox, 7 Chestnut St., Bradford, Pa.

Dear Mrs. Pinkham:— (Second Letter.)

"I take the liberty to congratulate you on the success I have had with your wonderful medicine.

"Eighteen months ago my monthlies stopped. Shortly after I felt so badly I submitted to a thorough examination by a physician, and was told that I had a tumor on the uterus and would have to undergo an operation.

"I soon after read one of your advertisements and decided to give Lydia E. Pinkham's Vegetable Compound a trial. After taking five bottles as directed, the tumor is entirely gone. I have again been examined by the physician and he says I have no signs of a tumor now. It has also brought my monthlies around once more; and I am entirely well. I shall never be without a bottle of Lydia Pinkham's Vegetable Compound in the house."—Fannie D. Fox, Bradford, Pa.

Another Case of Tumor Cured by Lydia E. Pinkham's Vegetable Compound.

Dear Mrs. Pinkham:—

"About three years ago I had intense pain in my stomach, with cramps and raging headaches. The doctor prescribed for me, but finding that I did not get any better he examined me and, to my surprise, declared I had a tumor in the uterus.

"I felt sure that it meant my death warrant, and was very disheartened. I spent hundreds of dollars in doctoring, but the tumor kept growing, till the doctor said that nothing but an operation would save me. Fortunately I corresponded with my aunt in the New England States, who advised me to try Lydia E. Pinkham's Vegetable Compound before submitting to an operation, and I at once started taking a regular treatment, finding to my great relief that my general health began to improve, and after three months I noticed that the tumor had reduced in size. I kept on taking the Compound, and in ten months it had entirely disappeared without an operation, and using no medicine but Lydia E. Pinkham's Vegetable Compound, and words fail to express how grateful I am for the good it has done me."—Miss Luella Adams, Colonnade Hotel, Seattle, Wash.

Such unquestionable testimony proves the value of Lydia E. Pinkham's Vegetable Compound, and should give confidence and hope to every sick woman.

Mrs. Pinkham invites all ailing women to write to her at Lynn, Mass., for advice.

Lydia E. Pinkham's Vegetable Compound a Woman's Remedy for Woman's Ills.

From Thursday's Daily Sun:

J. C. Haile of Alachua was visiting friends in this city yesterday.

Fine driving horses and good work mules. Crawford & Davis. Prices right tf

Clarence Camp of Ocala was among those who visited Gainesville on business yesterday.

Mrs. John G. Dampier and son, Harry, of Hague were among the visitors to this city yesterday.

Turpentine leases for sale at this office, 50c per dozen, $3 per hundred. Cash must accompany order. dawtf

Harney Wallace has returned from High Springs, where he went to play baseball with the Alachua team. He states that in a swift game Tuesday afternoon the Alachua team was defeated.

E. E. Rogers of Raleigh passed through the city yesterday en route to Waldo, where he went to attend the district meeting of the K. of P., which met with Waldo lodge Wednesday afternoon and night.

John A. Darwin of Athens, Ga., arrived yesterday, and will remain in the city for a day or two. Mr. Darwin is general manager of the Mutual Industrial Association of Georgia, which is gaining in popularity in this section of the country quite rapidly.

The school board held an adjourned meeting yesterday afternoon, at which a full board was present, and much business of importance was disposed of. Among other things was the donation of $75 toward the educational display at the Florida State Fair, which will be held in Tampa from November 15th to 30th.

Among those who paid the county capital a visit yesterday was M. Forman of Alachua, one of the prominent residents of that section. Mr. Forman was recently married to Mrs. L. L. Sanders of that place, and announces that he is now enjoying a state of connubial bliss which will never be broken until death. Mr. Forman formerly resided here and has many friends who will be glad to know that his married life is a happy one.

A Romantic Marriage.

A rather romantic but pleasant wedding occurred at the Magnolia Hotel in this city Wednesday, Rev. S. W. Rogers of the First Baptist Church officiating. The contracting parties were J. W. Lowman of Williston and Miss Lillie Belle Mott of LaCrosse, who came to Gainesville to meet her intended for matrimonial purposes. Both are popular young people, and while their marriage may come as a surprise, friends will nevertheless extend hearty congratulations.

Is It Right?

Is it right that a property-owner should lose $4.20 to let a dealer make 50 cents? A dealer makes 50 cents more on fourteen gallons of ready-for-use paint, at $1 50 per gallon, than our agent does on eight gallons of L. & M. paint and six gallons of linseed oil, which make fourteen gallons of the best paint in the world, at $1.20 per gallon; the property-owner loses just $4 20. Is it right?

It only requires 4 gallons of L. & M. and 3 gallons linseed oil to paint a moderate sized house.

Ten thousand churches painted with Longman & Martinez L. & M. paint.

Liberal quantity given to churches when bought from S. J. Th... Gainesville or J. C. Bishop ...
